## Senior Executive Biography

### **Thomas O’Toole, MD**

**Acting Deputy Under Secretary for Health**

**Office of the Deputy Under Secretary for Health**

**Veterans Health Administration**

Effective August 3, 2025, Thomas O’Toole, MD, was appointed as Acting Deputy Under Secretary for Health (DUSH) within the Office of the DUSH. In this role, he will deliver executive oversight for all policies and programs within the Veterans Health Administration (VHA).

Prior to this appointment, he served as Acting Assistant Under Secretary for Health (AUSH) for Clinical Services as well as Acting Chief Medical Officer, serving over 9 million enrolled Veterans annually at over 1,700 sites of care in the nation’s largest integrated healthcare system. In 2021, Dr. O’Toole was selected for the Deputy Assistant Under Secretary for Health (DAUSH) for Clinical Services position. Before this role, he served as a Senior Medical Advisor within the Office of the AUSH for Clinical Operations and Director of the National Center for Homelessness where he served as the founding Director of the Homeless Veterans Patient Aligned Care Team (H-PACT) Program.

Prior to joining VHA Central Office, Dr. O’Toole, served as Chief of Primary Care at the Providence VA Medical Center (VAMC). He is a General Internist based at the Providence VAMC in Rhode Island where he is also a Professor of Medicine and Public Health at Brown University. He has previously served as a faculty member at University of Pittsburgh, Johns Hopkins, and Georgetown University. His health services research over the past 32 years has focused on the needs of vulnerable and underserved populations, medical education, and health systems design. Dr. O’Toole was the Principal Investigator on grants from National Institutes of Health, Substance Abuse and Mental Health Services, private foundations, and VA Health Services Research & Development. He has over 100 papers, peer-reviewed articles and book chapters published. In 2016, Dr. O’Toole was a finalist for the National Samuel J. Heyman Service to America award. He completed the VHA Healthcare Leadership Development Program in 2015.
