To whom it may concern,

My name is Jacqueline A Haske. I am with the Chippewa County Department of Veteran Affairs Office. My office is designed to assist and support Veterans. File claims with the VA, apply for assistance with the Michigan Veterans Trust Fund, and seek further resources in the community and more. My concern is with the growing population of veterans in the Eastern Upper Peninsula, is the ability to provide health care to the veterans. We have been told about receiving a Doctor at the War Memorial VA Clinic and still have not received one. Several veterans have expressed their concern about getting a Doctor at this local facility.
