Missy Meyer is the Director of Community Integration for America's Warrior Partnership. She oversees five community branches throughout the country including Alaska, Texas, Florida, Indiana and The Navajo Nation ensuring implementation of best practices for service to veterans. She was hired into her role with AWP to administer the SSG Fox Suicide Prevention Grant Program. Missy holds a Bachelor's of Science in Social Work from Texas Christian University and has over 20 years of experience in primary prevention, trauma informed care, community outreach, and education and training in the social services sector.
