Senior Executive Biography

Teresa D. Boyd, D.O.

Assistant Deputy Under Secretary for Health for Clinical Operations Veterans Health Administration

Dr. Boyd was recently appointed to the role of Assistant Deputy Under Secretary for Health for Clinical Operations (ADUSH/CO). As the ADUSH/CO, Dr. Boyd serves as the intermediary between the Deputy Under Secretary for Health for Operations and Management and clinical components of VHA Program Offices and staff at VHA facilities and Network offices. Prior to assuming the ADUSH/CO role, she served as the Chief Medical Officer of the VA Northwest Health Network (VISN 20) beginning in 2016. VISN 20 is comprised of two tertiary care hospitals, three facilities with acute care inpatient services, and more than 50 outpatient clinics, and serves more than 1 million Veterans in Alaska, Washington, Oregon, Idaho, California, and Montana.

Dr. Boyd has served in numerous roles of progressive responsibility across her career with the Veterans Health Administration, including Chief of Staff at the Boise VA Medical Center (VAMC), Boise, Idaho and Physician/Systems Redesign Director at the VA Puget Sound Health Care System (HCS), Seattle, Washington. She also held a series of positions at the South Texas Veterans HCS, San Antonio, Texas, including Deputy Chief of Staff; Chief, Emergency Medicine/Department; Chief Medical Officer, FTOPC; and Attending Staff Physician, Emergency Medicine/Department.

Dr. Boyd received her Doctor of Osteopathic Medicine degree from the Texas College of Osteopathic Medicine in Fort Worth, Texas. She completed an internship in Osteopathic Medicine at Brighton Medical Center in Portland, Maine. Prior to her career with VHA, Dr. Boyd worked as an Attending Staff Physician at the Brighton Medical Center and then became the Trauma Director and Medical Director of the Emergency Medical Service at the Concho County Hospital in Eden, Texas.

Dr. Boyd is a diplomat of the American Osteopathic Board of Family Physicians. She has attended various VA training seminars and received numerous certifications, including System Wide Ongoing Assessment & Review Strategy (SOARS) consultant training and Administrative Investigation Board (AIB) Training. Dr. Boyd is a member of a variety of society memberships, including American College of Healthcare Executives, American Osteopathic Association, Texas Osteopathic Medical Association, American College of Osteopathic Family Physicians and Mensa.
