SHAWN STEELE
Director, Healthcare Infrastructure Division,
Office of Audits and Evaluations,
Office of Inspector General
US Department of Veterans Affairs

Shawn Steele has been with the VA Office of Inspector General (OIG) for over 18 years and was appointed Director of the Healthcare Infrastructure Division in the Office of Audits and Evaluations in February 2020. Mr. Steele leads 14 staff in performing independent oversight of the Veterans Health Administration (VHA) and the Office of Human Resources and Administration/Operations, Security, and Preparedness (HRA/OSP). This includes national audits, Congressional requests, and OIG hotline reviews.

Mr. Steele started his federal career as an auditor with the VA OIG Management Operations Division in June 2005 where he contributed to major initiatives in strategic audit planning, quality assurance, and program risk assessment. He later transitioned to field operations with the Washington DC Audits and Evaluations Division and earned promotion to Audit Manager in March 2013. Following his subsequent promotion to Director in February 2020, Mr. Steele was charged with establishing the healthcare infrastructure oversight portfolio. He has led dynamic teams and conducted audits of critical VHA and HRA/OSP programs and initiatives. His reports encompass a wide range of areas, including healthcare enrollment, human capital management, personnel suitability, research and development, patient advocacy, and security and incident preparedness.

Mr. Steele's division has been honored with numerous OIG team and project awards as well as three Council of Inspectors General on Integrity and Efficiency Awards for Excellence, highlighting their exceptional work within the Inspector General community.

Mr. Steele graduated from Saint Vincent College in 2005, with a Bachelor of Science degree in business management.
