

## **Department of Veterans Affairs**

### **Senior Executive Biography**

---

**Vincent E. Markey**  
**Director, Insurance Center**  
**Veterans Benefits Administration**

Vincent E. Markey was named Director of the Veterans Affairs Insurance Center on April 4, 2012. As Director, he is responsible for the administration of VA's six Life Insurance Programs plus oversees four Government Life Insurance Programs administered by Prudential Insurance Company's Office of Servicemembers' Group Life Insurance. The VA Life Insurance Program is the eleventh largest Life Insurance Company in the United States and provides \$1.2 trillion in insurance coverage for 6.1 million Veterans, active-duty Servicemembers, and their dependents. He has policy-making responsibility for all VA Insurance programs nationwide. He is responsible for ensuring the financial management and actuarial soundness of the Insurance Trust Funds, formulating legislative and regulatory proposals, supervising the Servicemembers' and Veterans' Group Life Insurance Programs, developing Insurance's strategic plan, formulating and executing the Insurance program's budgets, and the evaluating of and installing new technology upgrades.

Prior to his appointment as the Insurance Service Director, Mr. Markey served as the Chief of the Insurance Service Program Management Division. He directed five staffs that were responsible for overall oversight of VA's Life Insurance programs.
