

**Biography for Pamela Laurion, Gold Star Wives of America, Inc.**

My name is Pamela Laurion and I am the Surviving Spouse of Donald T. Laurion who served as a Coast Guard corpsman between 1971 and 1975. I am the mother of 3 amazing children and 5 grandchildren. In December of this past year I retired from the court systems in Delaware where I served as a judicial educational consultant for juveniles. Currently, I am collaborating with the Doubting Thomas Research Foundation on the archeological research surrounding Mount Sinai (Jabel Al Lawz) and the split Rock of Horeb sites in Saudi Arabia.
