Please confirm your attendance by contacting Joshua Hardy, Staff Director, at [Joshua.Hardy@mail.house.gov](mailto:Joshua.Hardy@mail.house.gov) and copying Mr. Nicholas West, Chief Clerk, at [Nicholas.West@mail.house.gov](mailto:Nicholas.West@mail.house.gov). Under to clause 2(k)(3) of Rule XI of the U.S. House of Representatives, witnesses at hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights. Witness counsels are only permitted to sit at the witness table if authorized by the Committee. The Committee reserves the right to place any witness under oath. Please be advised that pursuant to 18 U.S. Code § 1001, and regardless of whether an oath is administered, it is a violation of federal criminal law to knowingly and willfully give a false statement to any committee, subcommittee, commission, or office of the Congress. A witness

may obtain a transcript copy of their testimony given in a public open session or, if given at an executive session, when authorized by the Committee.

Enclosures: Submission Requirements for Hearing

## Submission Requirements for Hearing Statements and Exhibits for the 119th Congress

As you prepare to testify before the Committee, please keep in mind the following submission requirements for the printing and electronic dissemination of hearing statements, written comments, and exhibits.

**Electronic Version of Statement:** The Committee requires witnesses to submit testimony electronically so that it may be made available to the public via the Committee website (<http://veterans.house.gov>) in a timely manner. **Please make your statement available to the Committee in PDF format and send as an attachment electronically to Nicholas.West@mail.house.gov.**

**Please be advised your written statement will be available online through the Committee's web page and Committee Repository (<http://docs.house.gov>) immediately following the conclusion of the hearing.** You may notify us of any changes to your written statement up to 24 hours before the scheduled hearing date. This is not an official record of your testimony. The official hearing transcript will be made available electronically once submitted to GPO for printing.

**Written Statement:** Each statement presented to the Committee by a witness, or any written statement or exhibit submitted for the record of a hearing, must be in a form that is capable of being photocopied for printing and should, therefore conform to the following guidelines. The Committee reserves the right not to include any statement or exhibit that is not submitted in the following form:

- For the printed hearing record, one copy of the statement and any accompanying exhibits for the printed hearing record should be prepared on **letter size paper**.
- The Committee may elect to retain exhibit materials or documents submitted for the record in Committee files instead of reproducing them in the hearing record. Therefore, any relevant material should be referenced and quoted in the written statement or paraphrased. Illegible exhibits cannot be printed.

**Nongovernmental Witnesses:** Witnesses who appear before a committee in a non-governmental capacity are to include with each copy of their written testimony:

- a biography;
- a curriculum vitae;
- a statement disclosing the amount and source (by agency and program) of any Federal grant or contract (relevant to the subject matter of their testimony), any payment or contract originating with a foreign government, foreign adversary-controlled entity or an entity or country of particular concern (relevant to the subject matter of their testimony), received during the last 36 months by the witness or by the organization the witness represents; and
- a disclosure whether the witness is a fiduciary of any organization or entity that has an interest in the subject matter of the hearing.

A form will be provided to submit this information. Information disclosed will be made publicly available in an electronic format.

**Disclosure of Foreign Payments to Witnesses.** The House Rules require nongovernmental witnesses to disclose – to the greatest extent practicable – payments originating from a foreign government, including contracts or grants, to the witness or an organization they represent received during the past 36 months. Disclosure includes the amount of the payment and country of origin, to the extent that such information is relevant to the subject matter of, and the witness' representational capacity at, that hearing. While failure to comply fully with this requirement would not give rise to a point of order against the witness testifying, it could result in an objection to including the witness's written testimony in the hearing record in the absence of such disclosure.
