

**Amendment to the Amendment in the Nature of a Substitute to H.R. 3
Offered by Rep. LaHood of Illinois**

OFFERED BY MR. LAHOOD

The amendment would exempt any drug used to treat or cure Alzheimer's disease from price setting.

In the section 1192(d)(1) proposed to be added to the Social Security Act by section 101(a), insert "subject to paragraph (4)" after "for purposes of this part."

Add at the end of the section 1192(d) proposed to be added to the Social Security Act by section 101(a) the following paragraph:

(4) EXEMPTION.—The term "prescription drug" shall not include any drug or biological product used to treat or cure Alzheimer's disease.
