

# ***H.R. 5306, Know Your Social Security Act*** **Amendment in Nature of a Substitute**

## **Section-by-Section**

### **Section 1. Short Title.**

The short title for the bill is “Know Your Social Security Act of 2019.”

### **Section 2. Clarification of Requirement to Mail Social Security Account Statements.**

This section clarifies provisions of current law: that the requirement for the Social Security Administration (SSA) to provide annual Social Security account statements (*Statements*) to most taxpayers means providing *Statements* by mail; that SSA may provide an on-demand *Statement* electronically when the requesting individual chooses electronic delivery for that request; and that SSA has met its requirement to mail an annual *Statement* if an individual has accessed their *Statement* electronically in the prior year and has declined to receive their annual *Statement* by mail.

The bill is effective for statements required to be provided after the date of enactment.
