

**Mr. Eugene (Gene) Cavacini [Ka-va-chee-nee]**  
Senior Vice President and Chief Operating Officer, McKesson  
Pharmaceutical Solutions & Services (PSaS)

Gene Cavacini is the Senior Vice President and Chief Operating Officer for McKesson's U.S. Pharmaceutical segment. Gene oversees pharmaceutical sales, distribution, and customer service operations in the United States, leading more than 7,500 employees tasked with delivering one-third of America's medicines.

In 2002, Gene began his career at McKesson as a Retail Sales Executive and, within a few years, rose to Vice President of Sales for the community pharmacy segment across six different markets. Since then, he's continued to hold positions of increasing responsibility including Vice President and General Manager for the Memphis and Oklahoma City distribution centers. And just prior to his current position, he served as Senior Vice President of the northeast region with full operating responsibility for more than 1,150 employees, seven distribution centers covering 15+ states and \$40 billion in annual revenue.

Gene was born and raised in the Philadelphia area and received a Bachelor of Science in Biology from Ursinus College in Collegeville, Pennsylvania. Currently, Gene and his wife, Barb, along with their three daughters, reside in Southlake, Texas.
