

Ms. Mikah Carlos
Council Member, Salt River Pima-Maricopa

Mikah Carlos is a member of the Salt River Pima-Maricopa Indian Community and serves as a council member for the Community. Mikah rediscovered the significance of her tribal traditions and culture when she returned to her reservation for schooling in fifth grade. Attending Salt River Elementary School, she immersed herself in traditional dances and Native language courses, which were starkly different from her experiences in public school. Embracing her tribal community as extended family, Mikah strives to be a role model for Native youth and a resource for policymakers, to fuel tribal engagement.
