

Dr. Michael Kupferman, M.D.

Senior Vice President of Physician Enterprise and President of
Banner University Medicine Division

Dr. Kupferman is an internationally recognized expert in head and neck surgical oncology. His clinical practice focuses on upper aerodigestive tract cancers, melanoma, salivary gland, and skull base tumors. As Senior VP of the Physician Enterprise at Banner, Dr. Kupferman leads Banner's University Medical Group, which supports Banner's academic medical centers in Phoenix and Tucson; Banner MD Anderson Cancer Center, which provides cancer care in metro Phoenix and Northern Colorado; and physician population health leaders that drive value-based care success.

He has published more than 170 peer-reviewed papers and book chapters, and his laboratory research on the mechanisms of metastasis had been funded by the National Institutes of Health, American College of Surgeons, American Head and Neck Society, American Academy of Otolaryngology–Head and Neck Surgery and numerous private foundations.
