

Dr. Brian G. Donley
(DON-lee)

President and Chief Executive Officer, New York-Presbyterian

Background

Dr. Brian G. Donley is the current President and CEO of New York-Presbyterian (NYP); he entered the role in January 2026. Dr. Donley, an orthopedic surgeon, joined NYP in 2023 as an executive vice president and Chief Operating Officer. In his previous role at NYP, Dr. Donley was responsible for directing the strategy and operations at NYP, developing the health care system's patient-centered culture and strategic vision, while achieving the operating targets across the enterprise.

Before his time at NYP, Dr. Donley served for over 25 years in numerous leadership positions at the Cleveland Clinic, including CEO of Cleveland Clinic London from 2018 to 2022 and Chief of Clinic Enterprise before that.

Education

Dr. Donley attended the University of Notre Dame, where he graduated Phi Beta Kappa. He also graduated with distinction from the University of Michigan Medical School and completed his residency in orthopedic surgery at the University of Michigan. He also attended Harvard Business School, where he completed the Advanced Management Program.
