FOR WITNESSES APPEARING IN A NON-GOVERNMENTAL CAPACITY

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

Are you a fiduciary—including, but not limited to, a director, officer, advisor, or resident agent—of any organization or entity that has an interest in the subject matter of the hearing? If so, please list the name of the organization(s) or entities.

Yes. I serve as President of Thomson Prestress, LLC; President of Omega Concrete, LLC; President of Universal Hauling, LLC; and Chairman of the PCI Central Region. These organizations have an interest in the hearing's subject matter, including manufacturing, business tax policy, and transportation infrastructure.

I also serve on the Finance Committee of the Jackson Symphony, an organization discussed in my testimony in connection with community support.

Please list any federal grants or contracts (including subgrants or subcontracts) related to the hearing's subject matter that you or the organization(s) you represent have received in the past thirty-six months from the date of the hearing. Include the source and amount of each grant or contract.

Our companies supply manufactured concrete products and related services for transportation and construction projects. We understand that federal funding supports many roads and bridges, but we do not routinely track the underlying federal and state funding sources for individual customer projects or the federal share attributable to our sales.

Omega Concrete sold approximately \$46,000 of concrete to Push 4J Construction Company for a job called Milan Arsenal. Push 4J Construction Company was our customer. We understand that the Milan Arsenal project involves federal funding, but we do not track the specific funding source or the federal share attributable to those sales.

To my knowledge, the companies I represent have not received federal grants or entered into contracts directly with the federal government during the reporting period. We sell concrete products to bridge contractors working for state DOTs, but we cannot identify the federal funding attributable to those sales or confirm whether those material supply agreements constitute federal subcontracts for purposes of this disclosure.

Please list any contracts, grants, or payments originating with a foreign government and related to the hearing's subject that you or the organization(s) you represent have received in the past thirty-six months from the date of the hearing. Include the amount and country of origin of each contract or payment.

None.

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

- ☒ I have attached a written statement of proposed testimony.
- ☒ I have attached my curriculum vitae or biography.
