

Stephen Nuckolls (Nuh-kulz)
CEO, Coastal Carolina Health Care and PA, Coastal Carolina Quality Care

Stephen Nuckolls is the chief executive officer of Coastal Carolina Health Care, PA, and its Accountable Care Organization (ACO), Coastal Carolina Quality Care, Inc. His responsibilities include the direct management of the 60 provider multi-specialty physician-owned medical practice and its ACO. They currently participate in value-based models within Medicare, Medicare Advantage, and commercial plans. He is a founding member of the National Association of ACOs. Mr. Nuckolls can speak to successful ACO designs and how physicians can successfully incorporate into value-based payment systems.
