

**Senator Bill Frist, M.D.**

**Former Senate Majority Leader and Chairman of the Executives Council, Cressey & Company**

Senator William Frist, M.D. is a nationally-acclaimed heart and lung transplant surgeon, former U.S. Senate Majority Leader, and chairman of the Executives Council of the health service investment firm Cressey & Company. Frist's father and brother founded the largest for-profit hospital chain, Hospital Corporation of America (HCA). He also serves as co-chair of the Bipartisan Policy Center Future Health Advisory Board. He is actively engaged in the business as well as the medical, humanitarian, and philanthropic communities. Dr. Frist can speak to the value of investments in preventive medicine and health and wellness such as food as medicine and managing obesity.
