

**Dr. Dana Madison, DNP, MBA, BSN, RN**  
**Compassion Home Health Care**

Dr. Madison is a registered nurse with a doctorate in nursing. She provides direct patient care and is owner and operator of family-owned Compassion Home Health Care in Lubbock, TX, serving a large area of west Texas. Dr. Madison has founded and operated several home health agencies. She is former leader of the Texas Association of Home Care and Hospice. Dr. Madison can speak to how federal rules and payment systems affect clinical decision making and access to care, including in rural areas.
