

**Jennifer Trilk, Ph. D.
(Tr-ILK)**

Jennifer Trilk, PhD, FACSM, DipACLM is a Professor at University of South Carolina School of Medicine Greenville and Director of Lifestyle Medicine Programs, which comprehensively trains medical students in curricula and research in nutrition, physical activity/exercise, behavior change, student/patient self-care, and resiliency to prevent and treat the nation's top chronic diseases such as obesity, type 2 diabetes, cardiovascular disease and various forms of cancer. Dr. Trilk also directs the Lifestyle Medicine Education Curriculum (LMEd), which provides open-access LM curricula to medical schools across the globe. In 2019, LMEd was awarded the U.S. President's Council on Fitness, Sports and Nutrition Community Leadership Award.
