

Truth in Testimony Disclosure Form

In accordance with Rule XI, clause 2(g)(5)* of the *Rules of the House of Representatives*, witnesses are asked to disclose the following information. Please complete this form electronically by filling in the provided blanks.

Committee: _____

Subcommittee: _____

Hearing Date: _____

Hearing :

Witness Name: _____

Position/Title: _____

Witness Type: Governmental Non-governmental

Are you representing yourself or an organization? Self Organization

If you are representing an organization, please list what entity or entities you are representing:

FOR WITNESSES APPEARING IN A NON-GOVERNMENTAL CAPACITY

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

Are you a fiduciary—including, but not limited to, a director, officer, advisor, or resident agent—of any organization or entity that has an interest in the subject matter of the hearing? If so, please list the name of the organization(s) or entities.

Please list any federal grants or contracts (including subgrants or subcontracts) related to the hearing's subject matter that you or the organization(s) you represent have received in the past thirty-six months from the date of the hearing. Include the source and amount of each grant or contract.

Please list any contracts, grants, or payments originating with a foreign government and related to the hearing's subject that you or the organization(s) you represent have received in the past thirty-six months from the date of the hearing. Include the amount and country of origin of each contract or payment.

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

- I have attached a written statement of proposed testimony.
- I have attached my curriculum vitae or biography.

* Rule XI, clause 2(g)(5), of the U.S. House of Representatives provides:

(5)(A) Each committee shall, to the greatest extent practicable, require witnesses who appear before it to submit in advance written statements of proposed testimony and to limit their initial presentations to the committee to brief summaries thereof.

(B) In the case of a witness appearing in a non-governmental capacity, a written statement of proposed testimony shall include— (i) a curriculum vitae; (ii) a disclosure of any Federal grants or contracts, or contracts, grants, or payments originating with a foreign government, received during the past 36 months by the witness or by an entity represented by the witness and related to the subject matter of the hearing; and (iii) a disclosure of whether the witness is a fiduciary (including, but not limited to, a director, officer, advisor, or resident agent) of any organization or entity that has an interest in the subject matter of the hearing.

(C) The disclosure referred to in subdivision (B)(ii) shall include— (i) the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing; and (ii) the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government.

(D) Such statements, with appropriate redactions to protect the privacy or security of the witness, shall be made publicly available in electronic form 24 hours before the witness appears to the extent practicable, but not later than one day after the witness appears.

False Statements Certification

Knowingly providing material false information to this committee/subcommittee, or knowingly concealing material information from this committee/subcommittee, is a crime (18 U.S.C. § 1001). This form will be made part of the hearing record.

Witness signature

Date

Addendum: Dr. Andrew Racine, MD, PhD, FAAP Truth in Testimony form, February 2026

Please list any federal grants or contracts (including subgrants or subcontracts) related to the hearing's subject matter that you or the organization(s) you represent have received in the past thirty-six months from the date of the hearing. Include the source and amount of each grant or contract.

Andrew D. Racine, M.D., Ph.D.

Curriculum Vitae

Name: Andrew D. Racine, M.D., Ph.D.

Education:

1970 - 1974 **Harvard College**, Cambridge, Mass., BA, 1974
1975 - 1983 **New York University School of Medicine**, MD, 1983 and **New York University Graduate School of Arts and Sciences**, Department of Economics, Ph.D., 1987

Post-Graduate Training:

1983 - 1984 Pediatric Intern, **Boston Children's Hospital**, Boston, Mass.
1984 - 1986 Pediatric Resident, **Boston Children's Hospital**, Boston, Mass.
1999 Program for Clinical Chiefs of Services, **Harvard School of Public Health**

Professional Employment and Hospital Appointments:

1986-1987 Instructor, Department of Pediatrics, **Columbia University College of Physicians and Surgeons**, New York, N.Y.
1987-1992 Lecturer in Clinical Pediatric Nurse Practitioner course, **Columbia School of Nursing**, New York, N.Y.
1987-1993 Lecturer in Epidemiology and Biostatistics, **Columbia College of Physicians and Surgeons**, New York, N.Y.
1986-1992 Assistant Pediatrician, **Columbia Presbyterian (Babies) Hospital**, New York, N.Y.
1987-1992 Assistant Professor of Pediatrics, Department of Pediatrics, **Columbia University College of Physicians and Surgeons**, New York, N.Y.
1990-1995 Faculty Research Fellow, **National Bureau of Economic Research**, Health Economics Section, New York, N.Y.
1992-1995 Assistant Professor of Pediatrics, Department of Pediatrics, **Albert Einstein College of Medicine**, Bronx, N.Y.

Andrew D. Racine, M.D., Ph.D.

1992-1995 Assistant Director of Pediatrics, **Bronx Municipal Hospital Center**, Bronx, N.Y.

1995 - 2002 Associate Professor of Pediatrics, Department of Pediatrics, **Albert Einstein College of Medicine**, Bronx, N.Y.

1995 - 1996 Associate Director of Pediatrics, **Jacobi Medical Center**, Bronx, N.Y.

1995 - 2023 Research Associate, **National Bureau of Economic Research**, Health Economics Section, New York, N.Y.

1997 - 1998 Acting Director of Pediatrics, **Jacobi Medical Center**, Bronx, N.Y.

1997 - 2012 Director, Division of General Pediatrics, Department of Pediatrics, **Albert Einstein College of Medicine / Montefiore Medical Center**, Bronx, N.Y.

2002 - present Professor of Pediatrics, Department of Pediatrics, **Albert Einstein College of Medicine**, Bronx, N.Y.

2012 - 2015 Senior Vice-President and Chief Medical Officer, **Montefiore Medical Center**, Bronx, N.Y.

2012 - present System Senior Vice President and Executive Director, Montefiore Medical Group, **Montefiore Medical Center**, Bronx, N.Y.

2015 - 2025 Chief Medical Officer, **Montefiore Health System**.

Certification:

1986 - present Licensee - Physician and Surgeon, New York State

1987 - present Diplomat - American Board of Pediatrics
Recertified 2010

2023 Pediatric Advanced Life Support Provider

2023 Pediatric Basic Life Support Provider

Professional Society Memberships:

1985 - present American Public Health Association

1988 - present American Academy of Pediatrics

1990 - present National Bureau of Economic Research

Andrew D. Racine, M.D., Ph.D.

1994 - present Eastern Society for Pediatric Research
1994 - 2022 American Association for the Advancement of Science
1994 – present American Academy of Pediatrics, Section on Epidemiology
1994 – 2008 AcademyHealth (formerly Association for Health Services Research)
1994 – present Academic Pediatric Association (formerly Ambulatory Pediatric Association)
2005 - present Fellow of the New York Academy of Medicine
2013 - present American Economic Association

Awards and Honors:

1974 Magna Cum Laude in Social Studies, **Harvard College**
1987 Otto Ehrlich Prize for best doctoral dissertation in **New York University**
Department of Economics

Abstracts, Presentations, Workshops, and Invited Lectures (selected):

1. Joyce TJ and **Racine AD**. "Low Birth Weight and Prenatal Substance Abuse in New York City from 1980-1990." Presented at the **Greater New York Hospital Foundation's** Annual Symposium on Health Services Research in New York City, New York, November 1991.
2. Joyce TJ and **Racine AD**. "The consequences and costs of maternal substance abuse in New York City: a pooled time-series, cross-section analysis." Presented at Grand Rounds, **Department of Community Medicine, Mount Sinai School of Medicine**, New York, N.Y., February 1992.
3. **Racine AD** and Joyce TJ. "A multivariate longitudinal analysis of an epidemic of Low Birthweight in New York City." Accepted for poster presentation at the **Society for Pediatric Research**, Baltimore, Md., May 1992. *Pediatric Res*, (April 1992); 31 (Part II): 93a, abstract #545.

Andrew D. Racine, M.D., Ph.D.

4. **Racine AD** and Joyce TJ. "The effects of prenatal care on the likelihood of low birthweight delivery among cocaine exposed women in New York City." Accepted for platform presentation at the **Society for Pediatric Research**, Washington, D.C., May 1993. *Pediatric Res.*, (April 1993); 33 (Part II): 93a, abstract #540.
5. **Racine AD** and Landesman L. "Proposals for health care finance reform." Workshop accepted for presentation at the **Ambulatory Pediatric Association**, Washington, D.C., May 1993.
6. **Racine A D** "The epidemic of antenatal cocaine use: what is to be done?" Presented at Grand Rounds, **Department of Pediatrics, Albert Einstein College of Medicine, Montefiore Hospital**, Bronx, N.Y., September 1993.
7. Joyce TJ and **Racine AD** "Differences in length of stay and neonatal costs associated with prenatal cocaine use." Abstract accepted for the **American Public Health Association Annual Meeting**, San Francisco, Ca., October 1993.
8. **Racine AD.** "The impact of antenatal cocaine use on the epidemiology of low birth weight in New York City." Presented at Grand Rounds, **Department of Pediatrics, Hartford Hospital**, Hartford, Conn., October 1993.
9. **Racine AD**, Joyce TJ, McCalla S, and Wehbeh H. "The association of antenatal cocaine exposure with prolonged lengths of stay and increased costs of neonatal hospitalization." Accepted for poster presentation at the **Society for Pediatric Research**, Seattle, Wash. May 1994. *Pediatric Res.*, (April 1994); 35 Part II: 284a, abstract #1688.
10. **Racine AD**, Joyce TJ, McCalla S, and Wehbeh H. "Occult and overt antenatal exposure to illicit drugs: differences in neonatal lengths of stay and costs of hospitalization." Accepted for poster presentation at the **Society for Pediatric Research**, Seattle, Wash. May 1994. *Pediatric Res.*, (April 1994); 35 Part II: 284a, abstract #1689.
11. Stein REK, **Racine AD**, Mezey AP, Belamarich P, Goldman EK, Okun A, Porder K and Rosenfeld J. "Upstairs downstairs: Impact of vertical integration on training and patient care." Accepted for poster presentation at the **Ambulatory Pediatric Association**, Seattle, Washington, May 1994. *Archives of Pediatrics and Adolescent Medicine*, (April 1994) 148:54.
12. **Racine AD.** "A cost benefit analysis of prenatal drug treatment at a municipal hospital." Accepted for platform presentation at the **Greater New York Hospital Foundation's Annual Health Services Research Symposium** in New York City, N.Y., November 16, 1994.
13. **Racine AD**, Joyce TJ, McCalla S, Wehbeh H, and Telesca E. "Prenatal drug treatment during pregnancy: are there inpatient cost savings at delivery?" Accepted for poster presentation at the **Society for Pediatric Research**, San Diego, Ca. May 1995. *Pediatric Res.*, (April 1995); 37 Part II: 270a, abstract #1604.

Andrew D. Racine, M.D., Ph.D.

14. **Racine, A.D.**, R.E.K. Stein, P. Belamarich, A. Okun, K. Porder, J. Rosenfeld, and M. Schechter, "Vertical Integration on a pediatric service: Does it conserve resources?" Accepted for oral presentation at Topic Plenary Session at the **Ambulatory Pediatric Association**, Washington, D.C., May 1996. *Archives of Pediatric and Adolescent Medicine*, (April 1996); 150: P39, abstract #108.
15. Joyce TJ, and **Racine AD**. "An Analysis of Infant Mortality in New York City: 1988-89 and 1992-93." Presented at **New York City Department of Health and Medical and Health Research Association of New York City** conference Reaching Infant Mortality Goals for New York City: Developing an Action Plan, New York, N.Y. June 4, 1996.
16. **Racine AD**. "Trends in New York City infant mortality rates." Presented at Pediatric Grand Rounds, **St. Vincent's Medical Center of Richmond**, February 28, 1997.
17. **Racine AD**, and Joyce TJ. "Neonatal costs of prenatal illicit substance use in New York City." Accepted for poster presentation at the **Society for Pediatric Research**, Washington, D.C., May 1997. *Pediatric Res.* (April 1997); 41 Part II: 209a, Abstract #1238.
18. **Racine AD**, Joyce TJ, Li W, Chiasson MA, Schwartz S. "An analysis of the recent decline in infant mortality rates in New York City." Accepted for poster presentation at the **Society for Pediatric Research**, Washington, D.C., May 1997. *Pediatric Res.* (April 1997); 41 Part II: 209a, Abstract #1239.
19. **Racine AD**, and Joyce TJ. "Screening at delivery for prenatal exposure to illicit substances in New York City: What it tells us, how it fools us." Accepted for platform presentation at the **Health Services Research II Joint (APS/SPR/APA) Platform Session**, Washington, D.C., May 1997, *Amb. Child Health*; 3 Part II: 203-4, Abstract #308.
20. **Racine AD**, Joyce TJ, Li W, Chiasson MA, Schwartz S. "Are births in New York City municipal hospitals associated with higher infant mortality rates?" Accepted for poster presentation at the **Ambulatory Pediatric Association**, Washington, D.C., May 1997. *Amb. Child Health*; 3 Part II: 197, Abstract #280.
21. **Racine AD**. "Infant mortality trends in New York City 1988-89 to 1992-93." Presented at Grand Rounds at **The Rockefeller University**, New York, N.Y., January 21, 1998.
22. Bijur PE, Bauman LJ, Birenbaum A, Heneghan AM, Kory WP, Neuspiel D, **Racine AD**, Silver EJ, "Parental knowledge of Medicaid managed care and use of the emergency department." Accepted for platform presentation at the **Ambulatory Pediatric Association**, New Orleans, La., May 1998. Abstract #83.
24. Silver EJ, Bauman LJ, Bijur PE, Birenbaum A, Heneghan AM, Kory WP, Neuspiel D, **Racine AD**, "A comparison of health care use by children with chronic conditions in Medicaid: managed care vs fee-for-service." Accepted for poster presentation at the **Ambulatory Pediatric Association**, New Orleans, La., May 1998. Abstract #189.

Andrew D. Racine, M.D., Ph.D.

25. Bauman LJ, Bijur PE, Birenbaum A, Heneghan AM, Kory WP, Neuspiel D, **Racine AD**, Silver EJ. "Will Medicaid managed care for children reduce utilization?" Accepted for platform presentation at the **Ambulatory Pediatric Association**, New Orleans, La., May 1998. Abstract #84.
26. **Racine AD**. "Recent shifts in pediatric inpatient activity from public to voluntary hospitals in the Bronx: Implications for the public hospital system." Accepted for poster presentation at the **Society for Pediatric Research**, New Orleans, La., May 1998. *Pediatric Res.* (April 1998); 43 Part 2: 117a, Abstract #671.
27. **Racine AD**. "Infant mortality rates in Central Harlem: Why have they not improved?" Accepted for platform presentation at the **Ambulatory Pediatric Association**, New Orleans, La., May 1998, Abstract #29.
28. **Racine AD**. "Economic Efficiency in the Delivery of Health Care Services: When Markets Fail." Presented at Pediatric Grand Rounds, **Albert Einstein College of Medicine/Montefiore Medical Center**, Bronx, N.Y., November 11, 1998.
29. **Racine AD**, Goldman HS, and Barlev D. "Are routine screening chest radiographs useful in asymptomatic children after PPD conversions?" Accepted for poster symposium presentation at the **Ambulatory Pediatric Association**, San Francisco, CA. May 1999, Abstract # 1591.
30. **Racine AD**, Kaestner R, and Joyce TJ. "Did recent expansions in Medicaid narrow differences in hospitalization rates and lengths of stay between poor and non-poor infants?" Accepted for poster presentation at the **Ambulatory Pediatric Association**, San Francisco CA. May 1999, Abstract # 1229.
31. **Racine AD**. "After a Positive PPD: To Beam or not to Beam." Presented at Pediatric Grand Rounds, **Albert Einstein College of Medicine/Montefiore Medical Center**, Bronx, N.Y. December 22, 1999.
32. **Racine AD**. "The Differential Effect of the Medicaid Eligibility Expansions for Children on Health and Health Care Utilization by Race and Ethnicity" invited lecture, **CUNY Colloquium on Urban Health**; Thursday March 30, 2000.
33. **Racine AD**. "Recent Medicaid expansions: The differential impact by race and ethnicity." Accepted for poster presentation at the **Ambulatory Pediatric Association**, Boston, MA. May 2000. *Pediatric Res.* (April 2000); 47 Part 2: 157a, Abstract #922.
34. **Racine AD**. "Estimating the marginal time costs of resident training in an ambulatory academic pediatric practice." Accepted for poster presentation at the **Ambulatory Pediatric Association**, Boston, MA. May 2000. *Pediatric Res.* (April 2000); 47 Part 2: 219a, Abstract #1292.

36. **Racine AD**. “Newborn Care and Breastfeeding” talk at the Montefiore Mini-Medical School Course, Weiler Pavilion of **Montefiore Medical Center**, November 8, 2000.
37. **Racine AD**, and Davidson AG. “Use of the Time-Flow Study to Improve Clinical Efficiency at an Academic Pediatric Practice.” Accepted for poster presentation at the **Ambulatory Pediatric Association**, Baltimore, MD. May 2001. *Pediatric Res.* (April 2001); 49 Part 2: 135a, Abstract #757.
38. **Racine AD**., “Recent Shifts from Private to Public Health Insurance among Children: Did Trends Differ by Race/Ethnicity?” Accepted for poster presentation at the **Ambulatory Pediatric Association**, Baltimore, MD. May 2001. *Pediatric Res.* (April 2001); 49 Part 2: 154a, Abstract #781.
39. **Racine AD**. “Trends in New York City Infant Mortality Rates: 10 Years of Progress.” The 5th Annual Sidney Q. Cohan Memorial Lecture, **New York University School of Medicine**, April 9, 2002.
40. **Racine AD**, “Infant Mortality in New York City: How Race/Ethnicity Differentials Increased During a Decade of Progress.” Accepted for poster presentation at the **Ambulatory Pediatric Association**, Baltimore, MD. May 2002. *Pediatric Res.* (April 2002); 51 Part 2: 176a, Abstract # 1023.
41. **Racine AD**, “Infant Mortality and Low Birth Weight Rate Trends in New York City in the 1990s: A Rising Tide Lowers all Boats.” Accepted for platform presentation at the **Ambulatory Pediatric Association**, Baltimore MD. May 2002. *Pediatric Res.* (April 2002); 51 Part 2: 215a, Abstract #1249.
42. **Racine AD**, “New York City Infant Mortality in the 1990s: A disappearing Income Effect.” Invited presentation at Pediatric Grand Rounds, Hackensack University Hospital, Hackensack, N.J. December 18, 2002.
43. **Racine AD**, “New York City Infant Mortality in the 1990s: A Declining Income Gradient.” Pediatric Grand Rounds **Albert Einstein College of Medicine/Children’s Hospital at Montefiore**, Bronx, N.Y. February 19, 2003.
44. **Racine, AD**, TJ Joyce. “Changing rates of immunizations among poor and near-poor children between 1995 and 2001: can we observe a SCHIP effect?” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, Seattle, Washington, May 3, 2003. *Pediatric Res.* (April 2003); 53 Part 2: 233a, Abstract #1325.
45. **Racine, AD**. “How the racial gap in infant mortality rates changed in New York City from 1988 to 1996: the role of birth weight and the timing of infant death.” Accepted for poster

- presentation at the **Pediatric Academic Societies Meeting**, Seattle, Washington, May 3, 2003. *Pediatric Res.* (April 2003); 53 Part 2: 443a, Abstract #2503.
46. **Racine, AD**, “Childhood Immunization rates among poor and near-poor children: Does SCHIP make a difference?” Accepted for poster presentation at the **AcademyHealth 20th Annual Research Meetings**, Nashville, Tenn. June 27, 2003.
 47. **Racine AD**, Invited comments on “Access to Care: Preventable Hospital Use and Health Outcomes.” **AcademyHealth 20th Annual Research Meetings**, Nashville, Tenn. June 28, 2003
 48. **Racine AD**, and TJ Joyce “The vaccines for children program: a difference-in-difference analysis of changes in immunization status disparities.” Accepted for panel presentation at the **Eastern Society for Pediatric Research**, Greenwich, Conn. March 27, 2004.
 49. **Racine AD** and TJ Joyce “The vaccines for children program: taking a shot at disparities in immunization status.” Accepted for panel presentation at the **Eastern Society for Pediatric Research**, Greenwich, Conn. March 28, 2004.
 50. Gandica R, Belamarich PF, Stein REK, and **Racine AD**. “Pediatricians and AAP policy statements: drowning in a sea of advice.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, San Francisco, Ca. May 2, 2004. *Pediatric Res.* (April 2004); 55 Part 2: 226a, Abstract #1280.
 51. Porto AF, Belamarich PF and **Racine AD**. “The competency of pediatric residents in the evaluation and treatment of childhood obesity.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, San Francisco, Ca. May 3, 2004. *Pediatric Res.* (April 2004); 55 Part 2: 217a, Abstract #1229.
 52. **Racine AD** and TJ Joyce. “The vaccines for children program: taking a shot at disparities in immunization status.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, San Francisco, Ca. May 2, 2004. *Pediatric Res.* (April 2004); 55 Part 2: 209a, Abstract #1181.
 53. Joyce TJ and **Racine AD** “Chip shots: association of SCHIP with immunization rates.” Accepted for poster presentation at the **Academy Health Annual Research Meetings**, San Diego, Ca. June 8, 2004.
 54. Joyce TJ and **Racine AD** “Changing rates of immunization for poor and near-poor children between 1995 and 2002: can we observe an SCHIP effect?” Oral presentation at the **American Public Health Association Meetings**, Washington, D.C. November 9, 2004.
 55. **Racine, AD**, S Liewehr and L Weingart. “Parental assessment of quality of ambulatory care: how do attendings and residents compare?” Oral presentation at the **Eastern Society for Pediatric Research Meetings**, Greenwich, Conn. March 5, 2005.

Andrew D. Racine, M.D., Ph.D.

56. **Racine AD**, “The relationship between maternal education and child health status: evidence from immunization rates.” Invited lecture at **Eastern Society for Pediatric Research Meetings**, Greenwich, Conn. March 6, 2005.
57. **Racine AD**, Liewehr S, Weingart L, and Krugman S. “Parental Assessment of Ambulatory Quality of Care: How do attendings and residents compare?” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, Washington, D.C. May 17, 2005. PAS 2005: 57: 2785.
58. **Racine AD**, Joyce TJ. “Maternal education gradients in childhood immunization status: Do supply side public policies matter?” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, Washington, D.C., May 15, 2005. PAS 2005: 57: 848.
59. Schechter M, Goldman R, **Racine AD**. “Snugglis and car seats and nukes, Oh My! An educational program for pediatric residents to demystify childcare merchandise.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, Washington, D.C. May 15, 2005. PAS 2005: 57: 952
60. Briggs RD, Chinitz S, **Racine AD**. “Co-location of mental health services in pediatric practice.” Accepted for poster presentation at the **American Academy of Pediatrics National Conference and Exhibition: Connecting for Children’s Sake – Integrating physical and mental health care in the medical home**. Washington D.C. October 7, 2005.
61. Goldman R, Schechter M, **Racine AD**. “Over the counter and under the radar: addressing pediatric residents’ unfamiliarity with OTC medications.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. San Francisco, CA. May 1, 2006. EPAS2006:59:4895.515.
62. Briggs RD, Chinitz S, **Racine AD**. “Preventive Pediatric Mental Health Care: Co-location of infant and toddler mental health services in pediatric practice.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. San Francisco, CA. April 29, 2006. EPAS2006:59:2920.475.
63. **Racine AD**. “Inpatient treatment of bronchiolitis: is doing less too much to ask?” Accepted for platform presentation at the **Pediatric Academic Societies Meeting**. San Francisco, CA. April 29, 2006. EPAS2006:59:3140.8.
64. **Racine AD**, Alderman EM, Avner JR, Avner R. “Quo Vadis: health care utilization subsequent to a visit to the pediatric emergency department – where do they go?” Abstract accepted for publication only at the **Pediatric Academic Societies Meeting**. San Francisco, CA. 2006. EPAS2006:59:127.

Andrew D. Racine, M.D., Ph.D.

65. Joyce TJ. and **Racine AD**, “Does WIC work? Evidence from the Pregnancy Nutrition Surveillance System.” Invited presentation at the **University of Medicine and Dentistry of New Jersey**, Department of Epidemiology. June 8, 2006.
66. Alderman EM, **Racine AD** and JR Avner. “Adolescent use of emergency department: does source of primary care make a difference?” Accepted for platform presentation at the **Eastern Society for Pediatric Research Meeting**. Philadelphia, PA. March 11, 2007.
67. Bleier KA, Avner JR, Alderman EM and **Racine AD**. “Does parental perception of the quality of their primary care matter in the decision whether to use the pediatric emergency department for episodic illness?” Accepted for poster presentation at the **Eastern Society for Pediatric Research Meeting**, Philadelphia, PA. March 11, 2007.
68. Oyeku S, and **AD Racine**. “Hospitalizations for ambulatory care sensitive conditions among children with sickle cell disease.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Toronto, Canada. May 6, 2007.
69. Oyeku S, and **AD Racine**. “Hospitalizations for ambulatory care sensitive conditions among children with sickle cell disease.” Accepted for platform presentation at the **Eastern Society for Pediatric Research**. Philadelphia, PA. March 10, 2007.
70. **Racine AD**, Joyce T., and Yunzal-Butler C. “The WIC effect on birth outcomes: evidence of bias due to late enrollees.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Toronto, Canada. May 6, 2007.
71. **Racine AD**, Alderman EM, and JR Avner. “ED Phone Home: A prospective randomized intervention to decrease emergency department visits.” Accepted for platform presentation at the **Pediatric Academic Societies Meeting**. Toronto, Canada. May 6, 2007.
72. Bleier KA, Avner JR, Alderman EM and **Racine AD**. “Does parental perception of the quality of their primary care matter in the decision whether to use the pediatric emergency department for episodic illness?” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Toronto, Canada. May 6, 2007.
73. Okun A, **Racine AD**, Lopen N, Frett M. “What families of children with special health care needs want from a practice-based care coordination team.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Toronto, Canada May 6, 2007.
74. Alderman EM, **Racine AD** and JR Avner. “Adolescent use of emergency department: does source of primary care make a difference?” Accepted for platform presentation at the **Pediatric Academic Societies Meeting**. Toronto, Canada. May 7, 2007.

Andrew D. Racine, M.D., Ph.D.

75. **Racine, AD.** “Educating Medical Students and Future Providers of MCH” panel discussant at **Autumn in New York 2006: Women’s Health: A Global Perspective** in honor of Allan Rosenfield, MD. New York Helmsley Hotel. November 10, 2006.
76. **Racine AD,** “Pediatric Asthma Treatment Modalities” Invited lecture at the **1199 SEIU 4th Annual Asthma Symposium.** New York, N.Y. February 10, 2007.
77. **Racine AD,** “Decreased Use of the Pediatric Emergency Department: Only a Phone Call Away.” Accepted for poster presentation at the **Annual Research Meeting, AcademyHealth,** Orlando, FLA. June 3, 2007.
78. **Racine, AD,** “Why WIC Appears to Improve Birth Outcomes: Evidence of a Gestational Age Bias.” Accepted for poster presentation at the **Annual Research Meeting, AcademyHealth,** Orlando, FLA. June 3, 2007.
79. Invited speaker at **6th Annual Hudson Valley Regional Perinatal Forum,** Valhalla N>Y. October 25, 2007.
80. **Racine AD.** “The WIC Effect on Birth Outcomes: Is it for Real?” Invited Pediatric Grand Rounds presentation at **Jacobi Medical Center,** Bronx, N.Y. March 12, 2008.
81. Lim S., Chhabra R, Alfalla C, Rosen A, **Racine AD,** Lobach K, and Alderman E. “Adolescents’ views on primary care providers as a resource for mental health.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting.** Honolulu, Hawaii May 5, 2008.
82. Lim S., Chhabra R, Alfalla C, Rosen A, **Racine AD,** Lobach K, and Alderman E. “If you build it, they will come: what do adolescents want for their primary care health centers.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting.** Honolulu, Hawaii May 5, 2008.
83. Oyeku S, Conrad R, **Racine AD.** “Hospital stays for ambulatory care sensitive conditions in children with sickle disease: 1997 to 2003.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting.** Honolulu, Hawaii May 4, 2008.
84. Oyeku S, Conrad R, **Racine AD.** “Hospital stays for ambulatory care sensitive conditions in children with sickle disease: 1997 to 2003.” Accepted for poster presentation at the **Eastern Society for Pediatric Research.** Philadelphia, PA March 29, 2008.

Andrew D. Racine, M.D., Ph.D.

85. **Racine, AD.** “It’s about time: costs of delivering new vaccines added to the routine child immunization schedule since 2000.” Accepted for platform presentation at the **Pediatric Academic Societies Meeting**. Honolulu, Hawaii May 5, 2008.
86. **Racine, AD.,** Joyce TJJ, Yunzal-Butler C. “Early WIC enrollment improves breastfeeding rates among low-income women.” Accepted for platform presentation at the **Pediatric Academic Societies Meeting**. Honolulu, Hawaii May 3, 2008.
87. **Racine AD,** Alderman EM, Avner JR. “ED phone home: a prospective randomized intervention to decrease repeat emergency department visits.” Accepted for poster symposium presentation at the **2nd Annual Congress of European Academy of Pediatrics Meeting**. Nice, France October 25, 2008.
88. **Racine AD,** “It’s about time: costs of delivering new vaccines added to the routine child immunization schedule since 2000.” Accepted for poster symposium presentation at the **2nd Annual Congress of European Academy of Pediatrics Meeting**. Nice, France October 25, 2008.
89. **Racine AD,** Yunzal-Butler C, Joyce TJ. “Smoking, pregnancy, and WIC: the relationship of program participation to quitting.” Accepted for platform presentation at the **Pediatric Academic Societies Meeting**. Baltimore, MD May 3, 2009.
90. Schechter M, **Racine AD,** Sullivan CK, Schechter A, Racine S. “Answering the call: telephone triage for pediatric residents.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Baltimore, MD May 4, 2009.
91. Oyeku S, Conrad R, **Racine AD.** “Racial disparities for ambulatory care sensitive hospital stays persist from 1997-2006.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Baltimore MD May 5, 2009.
92. Briggs RD, Silver EJ, **Racine AD,** Krug LM, Roye A. “Healthy Steps in an urban training clinic: Going beyond the prescription.” Accepted for publication at the **Pediatric Academic Societies Meeting**. Baltimore MD 2009.
93. **Racine, A.D.** “Oh, The Places You’ll Go: Reflections on a Research Career in General Pediatrics,” **Philip Kozinn Memorial Lecture: Maimonides Medical Center, Brooklyn N.Y.,** September 29, 2009.
94. Belamarich P, **Racine AD.** “Infant formulas 2010: Claims and clinical evidence.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Vancouver, Canada May 1, 2010.

Andrew D. Racine, M.D., Ph.D.

95. **Racine AD**, Joyce TJ, Conrad R. “Trends in cost and length of stay for respiratory syncytial virus hospitalizations before and after palivizumab in California.” Accepted for platform presentation at the **Pediatric Academic Societies Meeting**. Vancouver, Canada May 1, 2010.
96. O’Donnell H, Islam S, **Racine AD**. “Newborn outpatient follow-up time after hospital discharge: Babies are team players.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Vancouver, Canada May 4, 2010.
97. O’Donnell H, Islam S, **Racine AD**. “Does earlier outpatient follow-up after newborn discharge prevent subsequent hospital and ER visits? An instrumental variables analysis.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Vancouver, Canada May 4, 2010.
98. Gross R, Fierman A, Mendelsohn A, **Racine AD**, Messito MJ. “Early infancy feeding styles among a WIC population of Latina women.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Vancouver, Canada May 4, 2010.
99. Levy B, Rosen A, Briggs R, Bernstein P, **Racine AD**. “Pre- and perinatal factors influencing early childhood social and emotional development.” Accepted for publication at the **Pediatric Academic Societies Meeting**. Vancouver, Canada May 2010.
100. **Racine AD**. “Managing Readmissions, Decreasing ER Utilization.” Presentation as part of panel discussion, **ROSE 26th Annual Conference**, Minneapolis, MN. October 6, 2010.
101. **Racine AD**. “WIC and Birth Outcomes: The Future of an Illusion.” Presented at Pediatric Grand Rounds, **Children’s Hospital at Montefiore**, October 20, 2010.
102. Trachtman R, Oyeku SO, O’Donnell HC, Cohen HW, and **Racine AD**. “Newborn Length of Stay: Primary Role of Sociodemographic Factors.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Denver, CO. April 30, 2011.
103. Fein DM, and **Racine AD**. “Efficacy of Primary Care Clinics Offering Increased Influenza Vaccine Delivery.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Denver, CO. April 30, 2011.
104. Lim SW, Leo J, Kusulas M, Alderman EM, and **Racine AD**. “Who You Gonna Call? Teens’ Opinions comparing Primary Care Providers to Mental Health Specialists for Mental Health Needs.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**. Denver, CO. May 1, 2011.

Andrew D. Racine, M.D., Ph.D.

105. Oyeku, SO, Green NS, Driscoll MC, Cohen HW, Trachtman R, Pashankar F, Mullen CA, Giardina P, and **Racine AD**. “Caregiver and Patient Factors Associated with Hydroxyurea Use.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, Denver, CO. May 1, 2011.
106. Briggs RD, Silver EJ, and **Racine AD**. “ASQ vs ASQ:SE: Which is a better predictor of developmental/behavioral problems in young children?” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, Denver, CO. May 2, 2011.
107. Gross R, Briggs RD, Velazco N, Francis J, and **Racine AD**. “Social emotional problems and maternal feeding practices.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, Denver, CO. May 3, 2011.
108. Gross R, Mendelsohn A, Fierman A, **Racine AD**, Soto P, Messito MJ. “Differences in early infant feeding practices associated with obesity among low and high socioeconomic status families.” Accepted for poster presentation at the **Pediatric Academic Societies Meeting**, Denver, CO. May 3, 2011.
