

Haywood Talcove (Hay-Wood Tahl-Cove)
Chief Executive Officer, LexisNexis Risk Government Solutions
Washington, D.C.

Haywood Talcove is Chief Executive Officer, Government, LexisNexis Risk Solutions. In this capacity, he oversees strategic business activities concerning customer operations, sales, marketing, communications, and ecosystem activities. Under Mr. Talcove's leadership, the LexisNexis Risk Solutions' government business is the market leader in this segment, focused on using identity to mitigate and stop fraud and help law enforcement catch criminals. Mr. Talcove's understanding of the intersection between cybersecurity and transnational fraud has made him a nationally recognized expert in the impact of emerging technologies like artificial intelligence and deepfake-enabled crime. National media outlets regularly feature Mr. Talcove as an experienced executive and expert on domestic and transnational fraud in government programs.' Mr. Talcove's expertise on pandemic fraud and the power of information and analytics to combat theft from entitlement programs has also been seen in the Washington Post, The New York Times, Rolling Stone, and the Chicago Sun-Times.
