

Thomas Otto

My name is Thomas Otto. I am 33 years old, and I live in Wenonah, NJ which is right near Woodbury, NJ. I am married with two handsome boys. I participated in the TAA Program in 2018 after losing my mechanic job at a chemical plant in Deepwater, New Jersey due the impact of foreign trade. After layoff, I didn't know what I was going to do. I received the news that a TAA petition for my company was approved, which made me eligible for TAA benefits. I met with my case manager and agreed to go to welding school and get my welding certifications. After receiving my credentials, I am now a full-time employee of a Power Plant in Pennsylvania where I am a welder/mechanic.
