

Sultan Stipho
Server, Buck and Rider Restaurant

Sultan Stipho has been working in restaurants since the age of 16 and has loved it ever since. That work in the restaurant industry has allowed him to support himself throughout his education, where he graduated from Arizona State University in 2025 with a bachelor's degree in political science, and is planning to start law school this year. He also served as a Law Clerk for Doran Justice, a law firm focused on criminal defense, post-conviction relief, and personal injury. Sultan's family immigrated to the U.S. from Iraq in 2008 due to the instability and associated dangers they faced after the war. His family has made Phoenix, Arizona, home ever since.
