

Lieutenant John D. Herold
Date of Enlistment: 12/12/2005

Employment History:

Lieutenant, Patrol Section Commander:

Troop D-Butler

May 2024 – Present

- Serve as Acting Troop D Commander as needed.
- Supervise, monitor duties of, and evaluate CARS, MCSAP, and VFI personnel.
- Oversees/distributes all Patrol related funded overtime.
- Oversees the handling of Troop car accidents by reviewing the accident report and investigation, preparing an endorsement to the Troop Commander, and recommending corrective action such as retraining, where needed.
- Coordinates programs for traffic enforcement by developing implementation plans including location, number of members, times and dates, etc., in accordance with regulations; serving as liaison between the Patrol function and Bureau responsible for the program; ensuring information is disseminated; meeting with supervisors; reviewing statistics of the programs; and ensuring that reporting is done in an accurate and timely fashion.
- Ensures all reports for programs such as STEAD-D, MCSAP, garage inspection, etc., accidents, arrests, and other incidents are timely and accurate by monitoring submissions; reviewing program reports and those on major incidents; spot-checking other reports; and periodically reviewing the reporting system.
- Administers the Probationary Trooper program by selecting coaches; implementing a tracking program; reviewing the probationary Troopers' progress every 60 days in accordance with regulations; ensuring all reports are correct, thorough, and timely; making recommendations in the case of a Trooper who needs additional assistance; and overseeing the probationary general investigation.
- Coordinates requests for special details by communicating with local police departments, if necessary; arranging, through the Sergeant or Station Commander, for members to participate in the detail; answering questions and handling problems; and seeing that the detail is properly carried out and paperwork completed.

Sergeant, Crime Section Unit Supervisor:

Troop D-Butler

March 2023 – May 2024

- Serve as Acting Crime Section Commander as needed.
- Supervised, monitored duties of, and evaluated FSU, FM, VICE, and CIA personnel.
- Liaison between Department and Ohio HIDTA for Beaver County.

- Monitor and approve overtime hours for Ohio HIDTA details. Submit overtime reimbursement for multiple Beaver County Law Enforcement departments and Troop D VICE members.
- Member of Troop D Major Case Team
- Alternate Custodial Officer

Sergeant, Staff Services and Patrol Section Supervisor:

Troop D-Butler

October 2019 – March 2023

- Served as Acting Staff Services and Patrol Commander as needed.
- Led staff/patrol personnel (patrol members, automotive, supply, maintenance, custodial, and IT) to support Troop operations most effectively.
- Assist with tracking required training, coordinated, and reviewing line inspections.
- Supervised, monitored duties of, and evaluated staff/patrol personnel.
- Deployed voluntarily to the 2020 Pittsburgh riots on five separate occasions.
- Alternate Custodial Officer

Trooper/Corporal/Sergeant/Lieutenant

February 2011 – Present

Member of the Pennsylvania State Police Ceremonial Unit

- Served as Acting Ceremonial Unit Supervisor as needed.
- Team member of multiple Ceremonial Unit details, including but not limited to Line of Duty Deaths (LODD), Out of State LODD, and Color Guards.
- Trained PSP Members, Game Commission, and Local Police departments on casket guard formations and assisted them with funeral details at their request.

Sergeant, Patrol Unit Supervisor: Troop D-Butler

May 2019 – October 2019

- Supervised Patrol Unit operations. Scheduled Troopers, Corporals and Police Communications Operators to ensure coverage on all shifts, while minimizing overtime.
- Supervised, monitored duties of, and evaluated Patrol Corporals.
- Maintained relationships with local police departments, criminal justice agencies, and human service providers to facilitate efficient, coordinated law enforcement efforts and public safety. Compiled, analyzed, and reported unit performance statistics.
- Assisted with the development and execution of plans for support at special events.

Corporal-Sergeant, SPR Reviewer, Bureau of Integrity and Professional

Standards Systems and Process Review Division:

May 2016 – May 2019

- Conduct in-depth inspections of specific Department functions or organizational segments.
- This inspection may include, but is not limited to evaluation of facilities, vehicles, equipment, records, reports, personnel, and investigative and reporting procedures.
- Assist the SPR Section Commander with Specialty Reviews as needed.

Corporal, Patrol Unit Supervisor:

Troop D-Mercer (October 2015 – May 2016), Troop E-Meadville (October 2013-October 2015), and Troop F-Coudersport (October 2012-October 2013).

- Served as Acting Station Commander as needed.
- Incident Commander at SERT activation incidents.
- Assisted the Fugitive Task force with arrest warrants and searches.
- Assigned and completed an Internal Affairs Use of Force investigation.
- Served as Alternate Custodial Officer of the Property Room. Signed property in and out of evidence room. Ensured property was packaged, labeled and sealed properly.
- Handled compliant calls and/or any other conflicts during the scheduled shift.
- Coordinator/Supervisor of multiple DUI Enforcement/Checkpoints, assigned overtime and completed all required documents.
- Platoon Leader during Blooming Grove Incident.

Trooper, Patrol Unit

Troop D – Butler (March 2010 - October 2012), Troop D – Kittanning (December 2009 – March 2010), Troop C – Clarion (March 2007 – December 2009), Troop C – Kane (June 2006 – March 2007)

Cadet – Pennsylvania State Police Academy

December 2005 – June 2006

- Class President

Quest Diagnostics, Pittsburgh, PA

August 1996 – December 2005

Senior Business Analyst, Cytology Department Group Lead, Cytotechnologist

- Lead Analyst on the Dallas Business Unit's Quest Pathology Software (QPS) conversion. Second Lead Analyst on the Horsham Business Unit's conversion.
- I trained both Dallas and Horsham Business Unit's staff on all QPS functions, including Pathologist, Cytotechnologist, and support staff.
- Liaison between QPS programmers and Business Units staff.
- Supervised both regression and parallel testing for QPS conversion.
- Managed QPS dictionaries, implementing changes when needed, including CPT coding and proper billing.
- Managed several client accounts to ensure customer satisfaction.
- Responsible for many process improvements, thus receiving recognition through "Take a Bow" and "Our Best" awards.
- While in the Group Lead role, I supervised approximately 30 Cytotechnologists and support staff.

United States Navy (Gulf War Veteran)

February 1987 – February 1993

Second Class Petty Officer, In-Flight Avionics Technician

- Maintained all avionics, pre-flight, during flight, and post-flight.

Volunteer Firefighter, District #3, Butler Township February 1993 - present

- Held the position of Engineer and the rank of Lieutenant.
- Served as Incident Commander and/or utilized the ICS system on many emergency incidents including, but not limited to, structure fires, vehicle crashes, rope rescues, search and rescues, hazardous materials and EMS calls. This exposure to the ICS system has provided the knowledge needed to assess each serious incident and to apply the ICS system to manage the situation.
