

AMENDMENT
OFFERED BY MR. WALDEN OF OREGON
(to the text of H.R. 3962)

Add at the end of section 223(a)(5) the following:
“Not less than 25 percent of the members of such Committee shall be practicing health care practitioners who, as of the date of their appointment, practice in a rural area and who have practiced in a rural area for at least the 5-year period preceding such date.”
