115TH CONGRESS
1ST SESSION

H. R. _____

To amend the Communications Act of 1934 to consolidate the reporting obligations of the Federal Communications Commission in order to improve congressional oversight and reduce reporting burdens.

IN THE HOUSE OF REPRESENTATIVES

Mr. Scalise introduced the following bill; which was referred to the Committee on ____________________

A BILL

To amend the Communications Act of 1934 to consolidate the reporting obligations of the Federal Communications Commission in order to improve congressional oversight and reduce reporting burdens.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Federal Communications Commission Consolidated Reporting Act of 2017”.

SEC. 2. COMMUNICATIONS MARKETPLACE REPORT.

Title I of the Communications Act of 1934 (47 U.S.C. 151 et seq.) is amended by adding at the end the following:

“SEC. 13. COMMUNICATIONS MARKETPLACE REPORT.

“(a) IN GENERAL.—In the last quarter of every even-numbered year, the Commission shall publish on its website and submit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the state of the communications marketplace.

“(b) CONTENTS.—Each report required by subsection (a) shall—

“(1) assess the state of competition in the communications marketplace, including competition to deliver voice, video, audio, and data services among providers of telecommunications, providers of commercial mobile service (as defined in section 332), multichannel video programming distributors (as defined in section 602), broadcast stations, providers of satellite communications, Internet service providers, and other providers of communications services;

“(2) assess the state of deployment of communications capabilities, including advanced telecommunications capability (as defined in section 706
of the Telecommunications Act of 1996 (47 U.S.C. 1302)), regardless of the technology used for such deployment, including whether advanced telecommunications capability is being deployed to all Americans in a reasonable and timely fashion;

“(3) assess whether laws, regulations, or regulatory practices (whether those of the Federal Government, States, political subdivisions of States, Indian tribes or tribal organizations (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5304)), or foreign governments) pose a barrier to competitive entry into the communications marketplace or to the competitive expansion of existing providers of communications services;

“(4) describe the agenda of the Commission for the next 2-year period for addressing the challenges and opportunities in the communications marketplace that were identified through the assessments under paragraphs (1) through (3); and

“(5) describe the actions that the Commission has taken in pursuit of the agenda described pursuant to paragraph (4) in the previous report submitted under this section.
“(c) Extension.—If the President designates a
Commissioner as Chairman of the Commission during the
last quarter of an even-numbered year, the portion of the
report required by subsection (b)(4) may be published on
the website of the Commission and submitted to the Com-
mittee on Energy and Commerce of the House of Rep-
resentatives and the Committee on Commerce, Science,
and Transportation of the Senate as an addendum during
the first quarter of the following odd-numbered year.

“(d) Special Requirements.—

“(1) Assessing Competition.—In assessing
the state of competition under subsection (b)(1), the
Commission shall consider all forms of competition,
including the effect of intermodal competition, facili-
ties-based competition, and competition from new
and emergent communications services, including the
provision of content and communications using the
Internet.

“(2) Assessing Deployment.—In assessing
the state of deployment under subsection (b)(2), the
Commission shall compile a list of geographical
areas that are not served by any provider of ad-
vanced telecommunications capability.

“(3) International Comparisons and Deemo-
graphic Information.—The Commission may use
readily available data to draw appropriate comparisons between the United States communications marketplace and the international communications marketplace and to correlate its assessments with demographic information.

“(4) CONSIDERING SMALL BUSINESSES.—In assessing the state of competition under subsection (b)(1) and regulatory barriers under subsection (b)(3), the Commission shall consider market entry barriers for entrepreneurs and other small businesses in the communications marketplace in accordance with the national policy under section 257(b).

“(5) CONSIDERING CABLE RATES.—In assessing the state of competition under subsection (b)(1), the Commission shall include in each report required by subsection (a) the aggregate average total amount paid by cable systems in compensation under section 325 during the period covered by such report.”.
