1ST SESSION

H. RES. 54

Reaffirming the United States-Argentina partnership and recognizing
Argentina's economic reforms.

IN THE HOUSE OF REPRESENTATIVES

JANUARY 23, 2017

Mr. SIRES submitted the following resolution; which was referred to the
Committee on Foreign Affairs

RESOLUTION

Reaffirming the United States-Argentina partnership and
recognizing Argentina's economic reforms.

Whereas, on November 22, 2015, the citizens of the Argentine Republic elected Mauricio Macri as their President;

Whereas President Macri has pledged to promote greater national unity, rebuild the economy, combat domestic corruption, strengthen freedom of the press, defend human rights abroad, attract foreign direct investment, return to international credit markets, and reassert Argentina's leadership globally;

Whereas President Macri has emphasized his intention to seek closer ties with the United States and restore the bilateral partnership previously enjoyed by both countries;

Whereas the Argentine Republic has been a major non-NATO ally of the United States since 1998 and is the only country designated as such in Latin America;

Whereas United States-Argentina relations are historically characterized by comprehensive commercial ties and strong bilateral cooperation on human rights, peacekeeping, science and technology, non-proliferation, and education, as well as on regional and global issues;

Whereas, in an appearance with President Macri at the Casa Rosada in Buenos Aires in March 2016, President Barack Obama said that “our countries share profound values in common—respect for human rights, for individual freedoms, for democracy, for justice, and for peace”;

Whereas Secretary of State John Kerry visited Argentina in August 2016 to launch a High-Level Dialogue to develop and sustain cooperation on bilateral, regional, and global challenges, including democratic development and protection of human rights in Latin America;

Whereas Secretary Kerry, during his visit, stated that “the United States strongly supports President Macri’s effort to deepen Argentina’s integration with the global economy” and that “our governments will be supporting policies that are aimed at strong, sustainable, and balanced economic growth”;

Whereas the United States Department of the Treasury no longer opposes multilateral development banks lending to Argentina because of the Government of Argentina’s

“progress on key issues and positive economic policy trajectory”;

Whereas President Macri prioritized Argentina resolving its 15-year standoff with private creditors stemming from the 2001-2002 economic crisis, which facilitated Argentina’s return to international financial markets;

Whereas the Macri Administration lifted controls on trade, currency, and poultry, enhanced the quality and transparency of government data, and eliminated subsidies on electricity, water, and gas;

Whereas Argentina is Latin America’s third largest economy and the International Monetary Fund, in April 2016, claimed the Macri Administration “embarked on an ambitious, much needed transition to remove domestic imbalances and distortions and correct relative prices”; and

Whereas the Government of Argentina has expressed a renewed commitment to bring the perpetrators of the 1994 bombing of the Asociación Mutual Israelita Argentina (AMIA) building, that occurred in Buenos Aires on July 18, 1994, killing 85 people and injuring hundreds, to justice: Now, therefore, be it

1 *Resolved*, That the House of Representatives—

2 (1) upholds its commitment to the partnership

9 solving most of its business disputes at the World
