

AMENDMENT IN THE NATURE OF A SUBSTITUTE
TO S. 1091
OFFERED BY MR. MCGOVERN OF
MASSACHUSETTS

Strike all after the enacting clause and insert the following:

1 SECTION 1. SHORT TITLE.

2 This Act may be cited as the “Supporting Grand-
3 parents Raising Grandchildren Act”.

4 SEC. 2. FINDINGS.

5 Congress finds the following:

6 (1) More than 2,500,000 grandparents in the
7 United States are the primary caretaker of their
8 grandchildren, and experts report that such numbers
9 are increasing as the opioid epidemic expands.

10 (2) Between 2009 and 2016, the incidence of
11 parental alcohol or other drug use as a contributing
12 factor for children’s out-of-home placement rose
13 from 25.4 to 37.4 percent.

14 (3) When children cannot remain safely with
15 their parents, placement with relatives is preferred
16 over placement in foster care with nonrelatives be-
17 cause placement with relatives provides stability for

1 children and helps them maintain family connec-
2 tions.

3 (4) The number of foster children placed with
4 a grandparent or other relative increased from 24
5 percent in 2006 to 32 percent in 2016, according to
6 data from the Department of Health and Human
7 Services.

8 (5) Grandparents' lives are enhanced by caring
9 for their grandchildren; the overwhelming majority
10 of grandparents report experiencing significant bene-
11 fits in serving as their grandchildren's primary care-
12 givers.

13 (6) Providing full-time care to their grand-
14 children may decrease grandparents' ability to ad-
15 dress their own physical and mental health needs
16 and personal well-being.

17 (7) Grandparents would benefit from better co-
18 ordination and dissemination of information and re-
19 sources available to support them in their caregiving
20 responsibilities.
