H. R. 6018

To establish an interagency program to assist countries in the Sahel, Maghreb, and adjacent regions of Africa to improve immediate and long-term capabilities to counter terrorist threats, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JUNE 6, 2018

Mr. McCAUL (for himself and Mr. KEATING) introduced the following bill;
which was referred to the Committee on Foreign Affairs

A BILL

To establish an interagency program to assist countries in the Sahel, Maghreb, and adjacent regions of Africa to improve immediate and long-term capabilities to counter terrorist threats, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Trans-Sahara Counter-
5 terrorism Partnership Act of 2018”.

1 **SEC. 2. SENSE OF CONGRESS.**

2 It is the sense of Congress that—

3 (1) the Trans-Sahara Counterterrorism Part-
4 nership, launched in 2005, is an interagency pro-
5 gram to assist partner countries in the Sahel and
6 Maghreb regions of Africa on their immediate and
7 long-term capabilities to address terrorist threats
8 and prevent the spread of violent extremism;

9 (2) armed groups and violent Islamist terrorist
10 organizations, such as Al Qaeda in the Islamic
11 Maghreb, Boko Haram, the Islamic State of West
12 Africa, and other affiliated groups, have killed tens
13 of thousands of innocent civilians, displaced popu-
14 lations, destabilized local and national governments,
15 and caused mass human suffering in the affected
16 communities;

17 (3) it is in the national security interest of the
18 United States to combat the spread of radical
19 Islamist extremism and build partner countries' ca-
20 pacity to combat these threats in Africa;

21 (4) extremist movements exploit vulnerable and
22 marginalized communities suffering from poverty,
23 lack of economic opportunity (particularly among
24 youth populations), and weak governance; and

25 (5) to address critical security, political, eco-
26 nomic, and humanitarian challenges in these regions

1 of Africa, a coordinated, interagency approach is
2 needed to appropriately allocate resources, share re-
3 sponsibility, de-conflict programs, and maximize the
4 effectiveness of United States defense, diplomatic,
5 and development capabilities.

6 **SEC. 3. TRANS-SAHARA COUNTERTERRORISM PARTNER-**
7 **SHIP.**
