1 by the Secretary and statutorily required low-income and  
2 very low-income use restrictions if any, associated with one  
3 or more multifamily housing project or projects to another  
4 multifamily housing project or projects.

5 (b) PHASED TRANSFERS.—Transfers of project-  
6 based assistance under this section may be done in phases  
7 to accommodate the financing and other requirements re-  
8 lated to rehabilitating or constructing the project or  
9 projects to which the assistance is transferred, to ensure  
10 that such project or projects meet the standards under  
11 subsection (c).

12 (c) The transfer authorized in subsection (a) is sub-  
13 ject to the following conditions:

14 (1) NUMBER AND BEDROOM SIZE OF UNITS.—

15 (A) For occupied units in the transferring  
16 project: The number of low-income and very  
17 low-income units and the configuration (i.e.,  
18 bedroom size) provided by the transferring  
19 project shall be no less than when transferred  
20 to the receiving project or projects and the net  
21 dollar amount of Federal assistance provided to  
22 the transferring project shall remain the same  
23 in the receiving project or projects.

24 (B) For unoccupied units in the transfer-  
25 ring project: The Secretary may authorize a re-

1           duction in the number of dwelling units in the  
2           receiving project or projects to allow for a re-  
3           configuration of bedroom sizes to meet current  
4           market demands, as determined by the Sec-  
5           retary and provided there is no increase in the  
6           project-based assistance budget authority.

7           (2) The transferring project shall, as deter-  
8           mined by the Secretary, be either physically obsolete  
9           or economically nonviable.

10          (3) The receiving project or projects shall meet  
11          or exceed applicable physical standards established  
12          by the Secretary.

13          (4) The owner or mortgagor of the transferring  
14          project shall notify and consult with the tenants re-

16          tification of approval by all appropriate local govern-  
17          mental officials.

18          (5) The tenants of the transferring project who  
19          remain eligible for assistance to be provided by the  
20          receiving project or projects shall not be required to

1           (7) If either the transferring project or the re-  
2           ceiving project or projects meets the condition speci-

4           ing project resulting from additional financing ob-  
5           tained by the owner shall be subordinate to any  
6           FHA-insured mortgage lien transferred to, or placed  
7           on, such project by the Secretary, except that the  
8           Secretary may waive this requirement upon deter-  
9           mination that such a waiver is necessary to facilitate  
10          the financing of acquisition, construction, and/or re-  
11          habilitation of the receiving project or projects.

12          (8) If the transferring project meets the re-  
13          quirements of subsection (d)(2), the owner or mort-  
14          gagor of the receiving project or projects shall exe-  
15          cute and record either a continuation of the existing

17          project where, in either case, any use restrictions in  
18          such agreement are of no lesser duration than the  
19          existing use restrictions.

20          (9) The transfer does not increase the cost (as  
21          defined in section 502 of the Congressional Budget  
22          Act of 1974, as amended) of any FHA-insured  
23          mortgage, except to the extent that appropriations  
24          are provided in advance for the amount of any such  
25          increased cost.

16 safety after written notice to and informed consent of the  
17 affected tenants and use of other available remedies, such  
18 as partial abatements or receivership. After disposition of  
19 any multifamily property described under this section, the

21 authorized by sections 9(d) and 9(e) of the United States  
22 Housing Act of 1937 (42 U.S.C. 1437g(d) and (e)), the  
23 Secretary shall not impose any requirement or guideline  
24 relating to asset management that restricts or limits in  
25 any way the use of capital funds for central office costs

1 pursuant to section 9(g)(1) or 9(g)(2) of the United States  
2 Housing Act of 1937 (42 U.S.C. 1437g(g)(1), (2)): *Pro-*  
3 *vided*, That a public housing agency may not use capital

12 has implemented an adequate system of funds control and  
13 has received training in funds control procedures and di-  
14 rectives. The Chief Financial Officer shall ensure that  
15 there is a trained allotment holder for each HUD appro-  
16 priation under the accounts “Executive Offices” and “Ad-  
17 ministrative Support Offices,” as well as each account re-

22 and “Office of Inspector General” within the Department  
23 of Housing and Urban Development.

24       SEC. 218. The Secretary of the Department of Hous-  
25 ing and Urban Development shall, for fiscal year 2019,

1 notify the public through the Federal Register and other  
2 means, as determined appropriate, of the issuance of a no-
