Mr. MCGOVERN, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 28]

The Committee on Rules, having had under consideration House Resolution 28, by a record vote of 9 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 264, the Financial Services and General Government Appropriations Act, 2019; H.R. 265, the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2019; H.R. 266, the Department of the Interior, Environment, and Related Agencies Appropriations Act, 2019; and H.R. 267, the Department of Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2019; each under a closed rule. The resolution provides one hour of debate on each bill equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees. The

resolution waives all points of order against consideration of each bill. The resolution provides that each bill shall be considered as read. The resolution waives all points of order against provisions in each bill. The resolution provides each bill one motion to recommit.

The resolution waives the requirement of clause 6(a) of rule XIII for a two-thirds vote to consider a report from the Committee on Rules on the same day it is presented to the House with respect to any resolution reported through the legislative day of January 15, 2019, relating to a measure making or continuing appropriations for the fiscal year ending September 30, 2019.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 264, H.R. 265, H.R. 266, and H.R. 267 includes waivers of the following for each bill:

- Clause 11 of rule XXI, prohibiting the consideration of a bill or joint resolution which has not been reported by a committee until such measure has been available to Members, Delegates, and the Resident Commissioner for 72 hours. While the text of each bill was made publicly available in searchable form at 9:00 am on January 6, 2019, the waiver of clause 11 of rule XXI is necessary because the bills could not be formally introduced until the House convened for business on January 8, 2019.

- Clause 12(a)(1) of rule XXI, which prohibits consideration of a bill unless there is a searchable electronic comparative print that shows how the bill proposes to change current law.

The waiver of all points of order against consideration additionally includes a waiver of the following for both H.R. 264 and H.R. 266:

- Section 302(f)(1) of the Congressional Budget Act, which prohibits consideration of legislation providing new budget authority in excess of a 302(b) allocation of such authority.

Although the resolution waives all points of order against provisions in H.R. 264, H.R. 265, H.R. 266, and H.R. 267, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
