## A BILL

To award a Congressional Gold Medal to Greg LeMond, in recognition of his service to the Nation as an athlete, activist, role model, and community leader.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Greg LeMond Congres-  
5 sional Gold Medal Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds the following:

8 (1) Gregory James “Greg” LeMond was born  
9 in Lakewood, California, on June 26, 1961.

1           (2) Greg began cycling at the age of 14, win-  
2           ning an astonishing 11 straight races to begin his  
3           career.

4           (3) Greg took home a full suite of medals at the  
5           1979 Junior World Championships, including gold,  
6           silver, and bronze, emerging victorious in the road  
7           race and placing in both team and track pursuit  
8           events.

9           (4) At age 18, Greg became the youngest cyclist  
10          in the history of the sport to be selected for the  
11          United States Men's Olympic team.

12          (5) Greg emerged victorious in the 1980 Circuit  
13          de la Sarthe, becoming the first American in history  
14          and the youngest rider ever to win a major pro-am  
15          cycling event on the European continent.

16          (6) At age 19, Greg signed his first professional  
17          contract.

18          (7) In 1982, Greg made the first of several re-  
19          markable recoveries, returning from a broken collar-  
20          bone to win the silver medal at the world champion-  
21          ships in Great Britain.

22          (8) The Tour de France, the world's pre-  
23          eminent cycling competition, was first held over a  
24          century ago, in 1903.

1           (9) The Tour de France takes place over 23  
2 days, covering an extraordinary 2,200 miles, winding  
3 through multiple mountain ranges, spanning mul-  
4 tiple nations, and is viewed as comparable to run-  
5 ning a marathon every day for three consecutive  
6 weeks.

7           (10) Greg first competed in the Tour de France  
8 in 1984, finishing third, and finishing second the  
9 following year, in both years deputizing himself to  
10 his teammates, sacrificing a chance to win himself to  
11 boost his teammates toward victory.

12           (11) Greg emerged victorious in the 1986 Tour  
13 de France, ascending the fabled Alpe D'Huez, de-  
14 feating the field by more than three full minutes, be-  
15 coming the first American and the first non-Euro-  
16 pean to win cycling's most prestigious race.

17           (12) In 1987, while recovering from a broken  
18 wrist and collarbone, Greg was tragically shot during  
19 a turkey hunting accident, leaving him in intensive  
20 care, requiring the removal of over 40 shotgun pel-  
21 lets from his abdomen, was deemed unlikely to ever  
22 ride a bicycle again, and likely survived only due to  
23 the abnormal strength of his cardiovascular system.

24           (13) Greg mounted the greatest comeback in  
25 the history of American sports, taking home an as-

1       tonishing victory at the 1989 Tour de France, fol-  
2       lowing multiple surgeries, life-threatening gunshot  
3       wounds, tendon repair, and an appendectomy, win-  
4       ning by eight seconds in the closest finish in the his-  
5       tory of the Tour de France.

6               (14) Greg would win a third Tour de France  
7       victory in 1990.

8               (15) Greg is the only American to win the Tour  
9       de France.

10              (16) Greg has vocally spoken out to champion  
11       healthy sport amongst athletes of all ages and com-  
12       petition levels.

13              (17) Greg and his wife, Kathy, are active in nu-  
14       merous nonprofit causes, including healthy sport, as-  
15       sisting victims of sexual abuse and various childhood  
16       illnesses.

17              (18) Cycling offers young people a healthy, ac-  
18       tive, outdoor hobby.

19              (19) Greg completed his professional career  
20       having won two World Championships, three Tour  
21       de France championships, and twenty-two titles  
22       overall.

23              (20) More than any other cyclist, Greg personi-  
24       fied the “breakaway” culture of American cycling in  
25       the 1970s and 80s, viewed universally as the epit-

1       ome of a young person on a bicycle, attempting to  
2       accomplish feats no other American had achieved.

3           (21) Greg has not only reached the pinnacle of  
4       international sport, but has devoted his time and re-  
5       sources to assisting his fellow athletes.

6           (22) Greg has demonstrated the commitment to  
7       excellence, generosity, community, and tenacity that  
8       makes him an example for all to follow.
