A BILL

To award a Congressional Gold Medal, collectively, to the women in the United States who joined the workforce during World War II, providing the aircraft, vehicles, weaponry, ammunition and other material to win the war, that were referred to as “Rosie the Riveter”, in recognition of their contributions to the United States and the inspiration they have provided to ensuing generations.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Rosie the Riveter Con-
5 gressional Gold Medal Act of 2019”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Over 70 years ago there was a call to ac-
9 tion, a demand for workers to fill the vacancies left
10 by the men who went to fight in the war.

11 (2) More than 6 million women answered the
12 call then, entering the workforce during World War
13 II and providing the equipment, weaponry and am-
14 munition to achieve final victory and end the war.

15 (3) These women left their homes to work or
16 volunteer full-time in factories, farms, shipyards, air-
17 plane factories, banks, and other institutions in sup-
18 port of the military overseas.

19 (4) They worked with the United Service Orga-
20 nizations and the American Red Cross, drove trucks,
21 riveted airplane parts, collected critical materials,
22 rolled bandages, and served on rationing boards.

23 (5) Our “Rosie the Riveter”, the women who
24 worked and sacrificed to strengthen this country

1 during World War II, are among the greatest living
2 heroines in the United States.

3 (6) These women persevered, despite often fac-
4 ing harassment from their male colleagues and dis-
5 approval from their male family members, and all
6 the while continued to maintain their “other jobs”
7 as caretakers of children and their households.

8 (7) Minority women also overcame long-held
9 policies of discrimination and made significant con-
10 tributions to the war effort.

11 (8) Because of the “Rosies”, Federal, State,
12 and local agencies coordinated with business owners
13 to develop childcare programs and other supports for
14 working mothers.

15 (9) The example that these women set during
16 World War II continues to inspire us and blaze a
17 path for the working women and young girls of
18 today.

19 (10) Specifically, the images of “Rosie the Riv-
20 eter” and the phrase “We Can Do It” continue to
21 symbolize the empowerment of women today, rep-
22 resenting patriotic women who want to serve and
23 strengthen their country, and to inspire young girls
24 to become “21st Century Rosies” by aspiring to, and

1 attaining positions of leadership in all walks of life
2 in America.
