To award a Congressional Gold Medal, collectively, to the United States Merchant Mariners of World War II, in recognition of their dedicated and vital service during World War II.

IN THE HOUSE OF REPRESENTATIVES

Mr. GARAMENDI introduced the following bill; which was referred to the Committee on __________________________

A BILL

To award a Congressional Gold Medal, collectively, to the United States Merchant Mariners of World War II, in recognition of their dedicated and vital service during World War II.

1 Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,
3
4 SECTION 1. SHORT TITLE.
5 This Act may be cited as the “Merchant Mariners
6 of World War II Congressional Gold Medal Act of 2020”.
7 SEC. 2. FINDINGS.
8 Congress finds the following:
(1) 2020 marked the 75th anniversary of Allied
victory in World War II.

(2) The United States Merchant Marine (in
this section referred to as the “Merchant Marine”) was integral in providing the link between domestic
production and the fighting forces overseas, pro-
viding combat equipment, fuel, food, commodities,
and raw materials to troops stationed abroad.

(3) Fleet Admiral Ernest J. King acknowledged
the indispensability of the Merchant Marine to the
victory in a 1945 letter stating that, without the
support of the Merchant Marine, “the Navy could
not have accomplished its mission”.

(4) President, and former Supreme Commander
of the Allied Expeditionary Forces, Dwight D. Ei-
senhower acknowledged that “through the prompt
delivery of supplies and equipment to our armed
forces overseas, and of cargoes representing eco-
nomic and military aid to friendly nations, the
American Merchant Marine has effectively helped to
strengthen the forces of freedom throughout the
world”.

(5) Military missions and war planning were
contingent upon the availability of resources and the
Merchant Marine played a vital role in this regard,
ensuring the efficient and reliable transoceanic transport of military equipment and both military and civilian personnel.

(6) The Merchant Marine provided for the successful transport of resources and personnel despite consistent and ongoing exposure to enemy combatants from both the air and the sea, including from enemy bomber squadrons, submarines, and naval mines.

(7) The efforts of the Merchant Marine were not without sacrifices as the Merchant Marine likely bore a higher per-capita casualty rate than any of the military branches during the war.

(8) The Merchant Marine proved to be an instrumental asset on an untold number of occasions, participating in every landing operation by the United States Marine Corps, from Guadalcanal to Okinawa.

(9) The Merchant Marine provided the bulk tonnage of material necessary for the invasion of Normandy, an invasion which, according to a 1944 New York Times article, “would not have been possible without the Merchant Marine”.

(10) In assessing the performance of the Merchant Marine, General Eisenhower stated, “every
man in this Allied command is quick to express his admiration for the loyalty, courage, and fortitude of the officers and men of the Merchant Marine. We count upon their efficiency and their utter devotion to duty as we do our own; they have never failed us’.

(11) During a September 1944 speech, President Franklin D. Roosevelt stated that the Merchant Marine had “delivered the goods when and where needed in every theater of operations and across every ocean in the biggest, the most difficult, and dangerous transportation job ever undertaken. As time goes on, there will be greater public understanding of our merchant fleet’s record during this war”.

(12) The feats and accomplishments of the Merchant Marine are deserving of broader public recognition.

(13) The United States will be forever grateful and indebted to these merchant mariners for their effective, reliable, and courageous transport of goods and resources in enemy territory throughout theaters of every variety in World War II.

(14) The goods and resources transported by the Merchant Marine saved thousands of lives and
enabled the Allied Powers to claim victory in World War II.

(15) The Congressional Gold Medal would be an appropriate way to shed further light on the service of the merchant mariners in World War II and the instrumental role they played in winning that war.

(16) Many students of the Merchant Marine Academy lost their lives as they sailed through enemy-controlled waters or unloaded cargo in overseas combat areas, and, as a result, the United States Merchant Marine Academy is the only institution among the 5 Federal academies to be authorized to carry a battle standard as part of its color guard.

SEC. 3. CONGRESSIONAL GOLD MEDAL.

(a) AWARD AUTHORIZED.—The Speaker of the House of Representatives and the President pro tempore of the Senate shall make appropriate arrangements for the award, on behalf of Congress, of a single gold medal of appropriate design to the United States merchant mariners of World War II, in recognition of their dedicated and vital service during World War II.

Treasury (in this Act referred to as the “Secretary”) shall strike the gold medal with suitable emblems, devices, and inscriptions, to be determined by the Secretary.

(1) In general.—Following the award of the gold medal under subsection (a), the gold medal shall be given to the American Merchant Marine Museum, where it will be available for display as appropriate and available for research.

(2) Sense of Congress.—It is the sense of Congress that the American Merchant Marine Museum should make the gold medal given to the Museum under paragraph (1) available for display elsewhere, particularly at appropriate locations associated with the United States Merchant Marine and that preference should be given to locations affiliated with the United States Merchant Marine.

SEC. 4. DUPLICATE MEDALS.

Under such regulations as the Secretary may prescribe, the Secretary may strike and sell duplicates in bronze of the gold medal struck under section 3, at a price sufficient to cover the costs of the medals, including labor, materials, dies, use of machinery, and overhead expenses.
