SEC. 2. DEATH AND DISABILITY BENEFITS FOR PUBLIC SAFETY OFFICERS IMPACTED BY COVID-19.

Section 1201 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. 10281) is amended by adding at the end the following new subsection:

“(o) For purposes of this part:

“(1) COVID–19 (or complications therefrom) shall be presumed to constitute a personal injury within the meaning of subsection (a), sustained in the line of duty by a public safety officer and directly and proximately resulting in death, in the case of a public safety officer who was diagnosed with, who received a positive test for, or for whom evidence indicated that the officer was infected with, COVID–19, unless such officer was not on duty during the 45-day period prior to being diagnosed with or having positive test for COVID–19.

“(2) The Attorney General shall accept claims, including supplemental claims, under this section from an individual who—

“(A) was serving as a public safety officer and was injured or disabled in the line of duty as a result of the terrorist attacks on the United States that occurred on September 11, 2001, or in the aftermath of such attacks developed a condition described in section 3312(a) of
the Public Health Service Act (42 U.S.C. 300mm–22(a)); and

“(B) was diagnosed with COVID–19 during the period described in paragraph (3), which, in combination with the injury or disability described in subparagraph (A), permanently and totally disabled or directly and proximately resulted in the death of the individual.

In assessing a claim under this paragraph, the presumption of causation described in paragraph (1) shall apply.

“(3) The presumption described in paragraph (1) and standard in subsection (p) shall apply with respect to a diagnosis of COVID–19 (or complications therefrom) beginning on January 20, 2020, and ending on January 20, 2022.

“(4) The term ‘COVID–19’ means a disease caused by severe acute respiratory syndrome coronavirus 2 (SARS–CoV–2).

“(p) In determining whether the personal injury under subsection (b) resulting from COVID-19 (or complications therefrom) was a catastrophic injury, the Attorney General’s inquiry shall apply the presumption in subsection (o) and be limited to whether the individual is per-
manently prevented from performing any gainful work as
a public safety officer.”
