7. Escobar (TX): Modifies the application section to require information on how eligible entities propose to use grant funds to support interventions to increase student diversity. Additionally, in the case of the consortium agencies, an eligible entity will be required to establish the lead applicant and how grant funds will be divided among school districts to address racial and socioeconomic segregation in schools. (10 minutes)

Students attending racially isolated, high-poverty schools have less access to resources, and school integration will help foster equitable access to resources. (10 minutes)
