“(9) RESTRICTION ON USE OF CERTAIN PREVIOUSLY ISSUED PREPAID DEBIT CARDS.—Payments made by the Secretary to individuals under this section shall not be in the form of an increase in the balance of any previously issued prepaid debit card if, as of the time of the issuance of such card, such card was issued solely for purposes of making payments under section 6428 or 6428A.

“(2) regulations or other guidance to ensure to the maximum extent administratively practicable that, in determining the amount of any credit under subsection (a) and any credit or refund under subsection (g), an individual is not taken into account more than once, including by different taxpayers and including by reason of a change in joint return status or dependent status between the taxable year for which an advance refund amount is determined and the taxable year for which a credit under subsection (a) is determined.

“(i) OUTREACH.—The Secretary shall carry out a robust and comprehensive outreach program to ensure that all taxpayers described in subsection (h)(1) learn of their eligibility for the advance refunds and credits under subsection (g); are advised of the opportunity to receive such advance refunds and credits as provided under subsection (h)(1); and are provided assistance in applying for such advance refunds and credits. (B) who is eligible for a payment under a plan described in paragraph (2).

(5) MIRROR CODE TAX SYSTEM.—For purposes of this subsection, the term “mirror code tax system” means, with respect to any possession of the United States, the income tax system of such possession if the income tax liability of the residents of such possession under such system is determined by reference to the income tax laws of the United States as if such possession were the United States.

(6) TREATMENT OF PAYMENTS.—For purposes of section 1324 of title 31, United States Code, the payments under this subsection shall be treated in the same manner as a refund due from a credit provision referred to in subsection (b)(2) of such section.

employee of a type that is normally creditable as
basic pay for retirement or any other purpose, that
additional pay shall not—

(A) be considered to be basic pay of the
covered employee for any purpose; or

(B) be used in computing a lump-sum pay-

“(4) REDUCTION OF INCREASED CREDIT AMOUNT BASED ON MODIFIED ADJUSTED GROSS INCOME.—
“(A) IN GENERAL.—The amount of the credit allowable under subsection (a) (determined without regard to subsection (b)) shall be reduced by $50 for each $1,000 (or fraction thereof) by which the taxpayer’s modified adjusted gross income (as defined in subsection (b)) exceeds the applicable threshold amount.

“(b) ANNUAL ADVANCE AMOUNT.—For purposes of this section—

“(1) IN GENERAL.—Except as otherwise provided in this subsection, the term ‘annual advance amount’ means, with respect to any taxpayer for any calendar year, the amount (if any) which is estimated by the Secretary as being equal to the amount which would be treated as allowed under subpart C of part IV of subchapter A of chapter 1 by reason of section 24(i)(1) for the taxpayer’s taxable year beginning in such calendar year if—
“(A) the status of the taxpayer as a taxpayer described in section 24(i)(1) is determined with respect to the reference taxable year,

“(B) the taxpayer’s modified adjusted gross income for such taxable year is equal to the taxpayer’s modified adjusted gross income for the reference taxable year,

“(ii) any other information provided by the taxpayer to the Secretary which allows the Secretary to determine payments under subsection (a) which, in the aggregate during any taxable year of the taxpayer, more closely total the Secretary’s estimate of the amount treated as allowed under subpart C of part IV of subchapter A of chapter 1 by reason of section 24(i)(1) for such taxable year of such taxpayer.

“(B) Adjustment to reflect excess or deficit in prior payments.—In the case of any modification of the annual advance
amount under subparagraph (A), the Secretary may adjust the amount of any monthly payment made after the date of such modification to properly take into account the amount by which any monthly payment made before such date was greater than or less than the amount that such payment would have been on the basis of the annual advance amount as so modified.

“(4) DETERMINATION OF STATUS.—If information contained in the taxpayer’s return of tax for the reference taxable year does not establish the status of the taxpayer as being described in section 24(i)(1), the Secretary may, for purposes of paragraph (1)(A), infer such status (or the lack thereof) from such information as is so contained or from other sources.

“(5) TREATMENT OF CERTAIN DEATHS.—A child shall not be taken into account in determining the annual advance amount under paragraph (1) if the death of such child is known to the Secretary as of the beginning of the calendar year for which the estimate under such paragraph is made.

section—

“(1) such payments shall be made on the basis
of the shortest interval which the Secretary deter-

“SEC. 4262. SPECIAL FINANCIAL ASSISTANCE BY THE CORPORATION.

“(a) Special Financial Assistance.—

“(1) In general.—The corporation shall provide special financial assistance to an eligible multi-employer plan under this section, upon the application of a plan sponsor of such a plan for such assistance.
“(2) INAPPLICABILITY OF CERTAIN REPAYMENT OBLIGATION.—A plan receiving financial assistance pursuant to this section shall not be subject to repayment obligations.

“(b) ELIGIBLE MULTIEMPLOYER PLANS.—

“(1) IN GENERAL.—For purposes of this section, a multiemployer plan is an eligible multiemployer plan if—

“(A) the plan is in critical and declining status (within the meaning of section 305(b)(6)) in any plan year beginning in 2020 through 2022;

“(B) a suspension of benefits has been approved with respect to the plan under section 305(e)(9) as of the date of the enactment of this section;

“(C) in any plan year beginning in 2020 through 2022, the plan is certified by the plan actuary to be in critical status (within the meaning of section 305(b)(2)), has a modified funded percentage of less than 40 percent, and has a ratio of active to inactive participants which is less than 2 to 3; or

“(D) the plan became insolvent for purposes of section 418E of the Internal Revenue
Code of 1986 after December 16, 2014, and has remained so insolvent and has not been terminated as of the date of enactment of this section.

“(2) MODIFIED FUNDED PERCENTAGE.—For purposes of paragraph (1)(C), the term ‘modified funded percentage’ means the percentage equal to a fraction the numerator of which is current value of plan assets (as defined in section 3(26) of such Act) and the denominator of which is current liabilities (as defined in section 431(c)(6)(D) of such Code and section 304(c)(6)(D) of such Act).

“(c) APPLICATIONS FOR SPECIAL FINANCIAL ASSISTANCE.—Within 120 days of the date of enactment of this section, the corporation shall issue regulations or guidance setting forth requirements for special financial assistance applications under this section. In such regulations or guidance, the corporation shall—

“(1) limit the materials required for a special financial assistance application to the minimum necessary to make a determination on the application;

“(2) specify effective dates for transfers of special financial assistance following approval of an application, based on the effective date of the sup-
porting actuarial analysis and the date on which the application is submitted; and

“(3) provide for an alternate application for special financial assistance under this section, which may be used by a plan that has been approved for a partition under section 4233 before the date of enactment of this section.

“(d) Temporary Priority Consideration of Applications.—

“(1) In general.—The corporation may specify in regulations or guidance under subsection (c) that, during a period no longer than the first 2 years following the date of enactment of this section, applications may not be filed by an eligible multiemployer plan unless—

“(A) the eligible multiemployer plan is insolvent or is likely to become insolvent within 5 years of the date of enactment of this section;

“(B) the corporation projects the eligible multiemployer plan to have a present value of financial assistance payments under section 4261 that exceeds $1,000,000,000 if the special financial assistance is not ordered;

“(C) the eligible multiemployer plan has implemented benefit suspensions under section
305(e)(9) as of the date of the enactment of this section; or

“(D) the corporation determines it appropriate based on other similar circumstances.

“(e) ACTUARIAL ASSUMPTIONS.—

“(1) ELIGIBILITY.—For purposes of determining eligibility for special financial assistance, the corporation shall accept assumptions incorporated in a multiemployer plan’s determination that it is in critical status or critical and declining status (within the meaning of section 305(b)) for certifications of plan status completed before January 1, 2021, unless such assumptions are clearly erroneous. For certifications of plan status completed after December 31, 2020, a plan shall determine whether it is in critical or critical and declining status for purposes of eligibility for special financial assistance by using the assumptions that the plan used in its most recently completed certification of plan status before January 1, 2021, unless such assumptions (excluding the plan’s interest rate) are unreasonable.

“(2) AMOUNT OF FINANCIAL ASSISTANCE.—In determining the amount of special financial assistance in its application, an eligible multiemployer plan shall—
“(A) use the interest rate used by the plan in its most recently completed certification of plan status before January 1, 2021, provided that such interest rate may not exceed the interest rate limit; and

“(B) for other assumptions, use the assumptions that the plan used in its most recently completed certification of plan status before January 1, 2021, unless such assumptions are unreasonable.

“(3) INTEREST RATE.—The interest rate limit for purposes of this subsection is the rate specified in section 303(h)(2)(C)(iii) (disregarding modifications made under clause (iv) of such section) for the month in which the application for special financial assistance is filed by the eligible multiemployer plan or the 3 preceding months, with such specified rate increased by 200 basis points.

“(4) CHANGES IN ASSUMPTIONS.—If a plan determines that use of one or more prior assumptions is unreasonable, the plan may propose in its application to change such assumptions, provided that the plan discloses such changes in its application and describes why such assumptions are no longer reasonable. The corporation shall accept such changed
assumptions unless it determines the changes are unreasonable, individually or in the aggregate. The plan may not propose a change to the interest rate otherwise required under this subsection for eligibility or financial assistance amount.

“(f) APPLICATION DEADLINE.—Any application by a plan for special financial assistance under this section shall be submitted no later than December 31, 2025, and any revised application for special financial assistance shall be submitted no later than December 31, 2026.

“(g) DETERMINATIONS ON APPLICATIONS.—A plan’s application for special financial assistance under this section that is timely filed in accordance with the regulations or guidance issued under subsection (c) shall be deemed approved unless the corporation notifies the plan within 120 days of the filing of the application that the application is incomplete, any proposed change or assumption is unreasonable, or the plan is not eligible under this section. Such notice shall specify the reasons the plan is ineligible for special financial assistance, any proposed change or assumption is unreasonable, or information is needed to complete the application. If a plan is denied assistance under this subsection, the plan may submit a revised application under this section. Any revised application for special financial assistance submitted by a plan shall be
deemed approved unless the corporation notifies the plan within 120 days of the filing of the revised application that the application is incomplete, any proposed change or assumption is unreasonable, or the plan is not eligible under this section. Special financial assistance issued by the corporation shall be effective on a date determined by the corporation, but no later than 1 year after a plan’s special financial assistance application is approved by the corporation or deemed approved. The corporation shall not pay any special financial assistance after September 30, 2030.

“(h) MANNER OF PAYMENT.—The payment made by the corporation to an eligible multiemployer plan under this section shall be made as a single, lump sum payment.

“(i) AMOUNT AND MANNER OF SPECIAL FINANCIAL ASSISTANCE.—

“(1) IN GENERAL.—Special financial assistance under this section shall be a transfer of funds in the amount necessary as demonstrated by the plan sponsor on the application for such special financial assistance, in accordance with the requirements described in subsection (j). Special financial assistance shall be paid to such plan as soon as practicable upon approval of the application by the corporation.
“(2) No Cap.—Special financial assistance granted by the corporation under this section shall not be capped by the guarantee under 4022A.

“(j) Determination of Amount of Special Financial Assistance.—

“(1) In General.—The amount of financial assistance provided to a multiemployer plan eligible for financial assistance under this section shall be such amount required for the plan to pay all benefits due during the period beginning on the date of payment of the special financial assistance payment under this section and ending on the last day of the plan year ending in 2051, with no reduction in a participant’s or beneficiary’s accrued benefit as of the date of enactment of this section, except to the extent of a reduction in accordance with section 305(e)(8) adopted prior to the plan’s application for special financial assistance under this section, and taking into account the reinstatement of benefits required under subsection (k).

“(2) Projections.—The funding projections for purposes of this section shall be performed on a deterministic basis.
“(k) Reinstatement of Benefit Suspensions.—

An eligible multiemployer plan that receives special financial assistance under this section shall—

“(2) provide payments equal to the amount of benefits previously suspended under section 305(e)(9) or 4245(a) to any participants or beneficiaries in pay status as of the effective date of the special financial assistance, payable, as determined by the eligible multiemployer plan—

“(A) as a lump sum within 3 months of such effective date; or

“(B) in equal monthly installments over a period of 5 years, commencing within 3 months of such effective date, with no adjustment for interest.

“(l) Withdrawal Liability.—An employer’s withdrawal liability for purposes of this title shall be calculated without taking into account special financial assistance received under this section until the plan year beginning 15
calendar years after the effective date of the special financial assistance.

“(m) REQUIRED DISCLOSURE.—An eligible plan that receives special financial assistance under this section shall provide each employer that has an obligation to contribute to such plan, and each labor organization representing participants employed by such employer, with an estimate of the employer’s share of the plan’s unfunded vested benefits as of the end of each plan year ending after the date of enactment of this section, as determined after taking into account any special financial assistance received under this section. Such disclosure shall include a statement that, due to the special financial assistance provided under this section, the plan will have sufficient resources to pay 100 percent of the plan’s benefit obligations until the last day of the plan year ending in 2051.

“(n) RESTRICTIONS ON THE USE OF SPECIAL FINANCIAL ASSISTANCE.—Special financial assistance received under this section may be used by an eligible multi-employer plan to make benefit payments and pay plan expenses. Special financial assistance and any earnings on such assistance shall be segregated from other plan assets. Special financial assistance shall be invested by plans in investment-grade bonds or other investments as permitted by the corporation.
“(o) CONDITIONS ON PLANS RECEIVING SPECIAL FINANCIAL ASSISTANCE.—

“(1) IN GENERAL.—The corporation may impose, by regulation, reasonable conditions on an eligible multiemployer plan that receives special financial assistance relating to increases in future accrual rates and any retroactive benefit improvements, allocation of plan assets, reductions in employer contribution rates, diversion of contributions to, and allocation of expenses to, other benefit plans, and withdrawal liability.

“(2) LIMITATION.—The corporation shall not impose conditions on an eligible multiemployer plan as a condition of, or following receipt of, special financial assistance under this section relating to—

“(A) any prospective reduction in plan benefits (including benefits that may be adjusted pursuant to section 305(e)(8));

“(B) plan governance, including selection of, removal of, and terms of contracts with, trustees, actuaries, investment managers, and other service providers; or

“(C) any funding rules relating to the plan receiving special financial assistance under this section.
“(3) **PAYMENT OF PREMIUMS.**—An eligible multiemployer plan receiving special financial assistance under this section shall continue to pay all premiums due under section 4007 for participants and beneficiaries in the plan.

“(4) **ASSISTANCE NOT CONSIDERED FOR CERTAIN PURPOSES.**—An eligible multiemployer plan that receives special financial assistance shall be deemed to be in critical status within the meaning of section 305(b)(2) until the last plan year ending in 2051.

“(5) **INSOLVENT PLANS.**—An eligible multiemployer plan receiving special financial assistance under this section that subsequently becomes insolvent will be subject to the current rules and guarantee for insolvent plans.

“(6) **INELIGIBILITY FOR OTHER ASSISTANCE.**—An eligible multiemployer plan that receives special financial assistance under this section is not eligible to apply for a new suspension of benefits under section 305(e)(9)(G).”.
