## R E P O R T

[To accompany H. Res. \_\_]

The Committee on Rules, having had under consideration House Resolution \_\_\_\_, by a record vote of 9 to 4, report the same to the House with the recommendation that the resolution be adopted.

### SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2467, the PFAS Action Act of 2021, under a structured rule. The resolution provides one hour of general debate on the bill equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their designees. The resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 117-

10, modified by the amendment printed in part A of this report, shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides that following debate, each further amendment printed in part B of this report not earlier considered as part of amendments en bloc pursuant to section 3 shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before the question is put thereon, shall not be subject to amendment, and shall not be subject to a demand for division of the question. The resolution provides that at any time after debate the chair of the Committee on Energy and Commerce or his designee may offer amendments en bloc consisting of further amendments printed in part B of this report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question. The resolution waives all points of order against the amendments printed in part B of this report or amendments en bloc described in section 3 of the resolution. The resolution provides one motion to recommit. The resolution provides for consideration of H.R. 2668, the Consumer Protection and Recovery Act, under a closed rule. The resolution provides one hour of general debate on the bill equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their designees. The resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 117-11 shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides for one motion to recommit. The resolution provides for consideration of H.R. 3985, the Allies Act of 2021, under a closed rule. The resolution provides one hour of general debate on the bill equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary or their designees. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment printed in part C of this report shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides one motion to recommit. The resolution provides that at any time through the legislative day of Thursday, July 22, 2021, the Speaker may entertain motions offered by the Majority Leader or a designee that the House suspend the rules with respect to multiple measures that were the object of motions to suspend the rules on the legislative days of July 19 or 20, 2021, and on which the yeas and nays were ordered and further proceedings postponed. The Chair shall put the question on any such motion without debate or intervening motion, and the ordering of the yeas and nays on postponed motions to suspend the rules with respect to such measures is vacated.

#### EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 2467 includes waivers of the following:

- Section 303(a) of the Congressional Budget Act, which prohibits consideration of legislation, as reported, providing new budget authority, change in revenues, change in public debt, new entitlement authority or new credit authority for a fiscal year until the budget resolution for that year has been agreed to.
- Section 425 of the Congressional Budget Act, which prohibits consideration of (1) any legislation referred by a committee until the committee publishes the CBO's statement on the direct costs of Federal mandates and (2) any legislation that that would increase the direct costs of Federal intergovernmental mandates beyond \$50,000,000 (adjusted for inflation) unless the legislation provides for new budget authority or the legislation appropriates sufficient funds to cover the new costs.
- Clause 10 of rule XXI, which prohibits consideration of a measure that has a net effect of increasing the deficit or reducing the surplus over the five- or 10-year period.

Although the resolution waives all points of order against provisions in H.R. 2467, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against the amendments printed in part B of this report and amendments en bloc described in section 3 of the resolution, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against consideration of H.R. 2668, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against provisions in H.R. 2668, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 3985 includes waivers of the following:

- Clause 12 of rule XXI, which prohibits consideration of a bill or joint resolution pursuant to a special order of business reported by the Committee on Rules that has not been reported by a committee.
- Section 302(f)(1) of the Congressional Budget Act, which prohibits consideration of legislation providing new budget authority in excess of a 302(a) or 302(b) allocation of such authority.
- Section 303(a) of the Congressional Budget Act, which prohibits consideration of legislation, as reported, providing new budget authority, change in revenues, change in public debt, new entitlement authority or new credit authority for a fiscal year until the budget resolution for that year has been agreed to.
- Clause 10 of rule XXI, which prohibits consideration of a measure that has a net effect of increasing the deficit or reducing the surplus over the five- or 10-year period.

Although the resolution waives all points of order against provisions in H.R. 3985, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

SUMMARY OF THE AMENDMENT TO H.R. 2467 IN PART A  
CONSIDERED AS ADOPTED

1. Pallone (NJ): Updates grant programs under the Safe Drinking Water Act and the Clean Water Act to match language included in the INVEST Act. Clarifies that the moratorium on new PFAS does not apply to PFAS for research and development related to drugs, medical devices, or PPE.

SUMMARY OF THE AMENDMENTS TO H.R. 2467 IN PART B MADE IN  
ORDER

1. Kildee (MI), Kind (WI), Delgado (NY): Requires EPA to create a website to better help well water users test their water and understand the results. (10 minutes)
2. Leger Fernandez (NM): Ensures that testing under Sec. 3 and the risk communication strategy under Sec. 15 considers the risks PFAS poses to water used for agricultural purposes. (10 minutes)
3. Levin, Andy (MI): Establishes a new grant program to test for and remediate PFAS containments in the drinking water at school facilities, and authorizes \$100 million to carry out that program for FY2022 through FY2026. (10 minutes)
4. Ocasio-Cortez (NY): Ensures that information on the Household Well Water Testing Website is presented in a manner that provides meaningful access to individuals with limited English proficiency. (10 minutes)
5. Ross, Deborah (NC), Rouzer (NC): Revises the PFAS Infrastructure Grant Program to allow applicants to certify that the treatment technology that was in use by the community water system on the date of enactment was not sufficient to remove all detectable amounts of PFAS. (10 minutes)
6. San Nicolas (GU): Requires the Administrator to provide grants to insular territories. (10 minutes)
7. Sarbanes (MD), Fitzpatrick (PA): Requires EPA to obtain analytical reference standards for PFAS for the development of protocols and methodologies and enforcement activities (10 minutes)
8. Slotkin (MI): Increases the annual funding for the Assistance for Community Water Systems Affected by PFAS grant program. (10 minutes)
9. Slotkin (MI), Meijer (MI): Adds to the Household Well Water Testing Website information about the health risks associated with exposure to PFAS-contaminated water as well as recommendations for individuals who believe they may have been exposed such PFAS-contaminated water. (10 minutes)
10. Slotkin (MI): Adds to the list of products covered by the PFAS-Free Product Labeling Program. (10 minutes)

SUMMARY OF THE AMENDMENT TO H.R. 3985 IN PART C  
CONSIDERED AS ADOPTED

1. Nadler (NY): Revises the requirement that an applicant "has experienced or is experiencing" a serious threat to require an applicant

"has asserted a credible basis for concern about the possibility of" a serious threat. Clarifies that Afghan nationals who worked under cooperative agreements or grants to advance the U.S. mission are eligible for the Afghan SIV program if recommended by the federal agency that authorized their funding. Gives the government the flexibility remove the requirement that applicants file a petition with USCIS. Allows surviving spouses and children to retain eligibility if a request for COM approval is pending and the principal applicant would have been approved for an SIV had they survived. And makes other minor technical changes.
