A BILL

To require the Secretary of Veterans Affairs to secure medical opinions for veterans with service-connected disabilities who die from COVID–19 to determine whether their service-connected disabilities were the principal or contributory causes of death, and for other purposes.
Be it enacted by the Senate and House of Representa-
tives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Ensuring Survivor
Benefits During COVID–19 Act of 2021”.

SEC. 2. MEDICAL OPINIONS FOR CERTAIN VETERANS WITH
SERVICE-CONNECTED DISABILITIES WHO DIE
OF COVID–19.

In any case in which a veteran with one or more serv-
ice-connected disabilities dies, the death certificate identi-
fies Coronavirus Disease 2019 (COVID–19) as the prin-
cipal or contributory cause of death, the death certificate
does not clearly identify any of the service-connected dis-
abilities as the principal or contributory cause of death,
and a claim for benefits is filed with respect to the veteran
under chapter 13 of title 38, United States Code, the Sec-
retary of Veterans Affairs shall secure a medical opinion
to determine if a service-connected disability was the prin-
cipal or contributory cause of death.

SECTION 1. SHORT TITLE.

This Act may be cited as the “Ensuring Survivor Ben-
efits during COVID–19 Act of 2021”.

S 89 RS
SEC. 2. MEDICAL OPINIONS FOR CERTAIN VETERANS WITH
SERVICE-CONNECTED DISABILITIES WHO DIE
OF COVID–19.

(a) IN GENERAL.—The Secretary of Veterans Affairs
shall secure a medical opinion to determine if a service-
connected disability was the principal or contributory cause
of death before notifying the survivor of the final decision
in any case in which all of the following factors are met:

(1) A claim for compensation is filed under
chapter 13 of title 38, United States Code, with re-
spect to a veteran with one or more service-connected
disabilities who dies.

(2) The death certificate for the veteran identifies
Coronavirus Disease 2019 (COVID–19) as the prin-
cipal or contributory cause of death.

(3) The death certificate does not clearly identify
any of the service-connected disabilities of the veteran
as the principal or contributory cause of death.

(4) A service-connected disability of the veteran
includes a condition more likely to cause severe illness
from COVID–19 as determined by the Centers for
Disease Control and Prevention.

(5) The claimant is not entitled to benefits under
section 1318 of such title.
(6) The evidence to support the claim does not result in a preliminary finding in favor of the claimant.

(b) OUTREACH.—The Secretary shall provide information to veterans, dependents, and veterans service organizations about applying to dependency and indemnity compensation when a veteran dies from COVID–19. The Secretary shall provide such information through the website of the Department of Veterans Affairs and via other outreach mechanisms.
