EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the motion includes waivers of the following:
- Clause 7 of rule XVI, which requires that no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.
- Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee.

The waiver of all points of order against consideration of H. J. Res.
75 includes a waiver of clause 11 of rule XXI, which prohibits consideration of a bill or joint resolution which has not been reported by a committee until such measure has been available to Members, Delegates, and the Resident Commissioner for 72 hours.

Although the resolution waives all points of order against provisions in H.J. Res. 75, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 6968 includes waivers of the following:
- Clause 11 of rule XXI, which prohibits consideration of a bill or joint resolution which has not been reported by a committee until such measure has been available to Members, Delegates, and the Resident Commissioner for 72 hours.
- Clause 12 of rule XXI, which prohibits consideration of a bill pursuant to a special order of business reported by the Committee on Rules that has not been reported by a committee.

Although the resolution waives all points of order against provisions in the H.R. 6968, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 7007 includes waivers of the following:
- Clause 9 of rule XXI, which requires a list of all earmarks, limited tax benefits, or limited tariff benefits contained in the measure, or a certification that the measure does not contain any of those items.
- Clause 11 of rule XXI, which prohibits consideration of a bill or joint resolution which has not been reported by a committee until such measure has been available to Members, Delegates, and the Resident Commissioner for 72 hours.
- Clause 12 of rule XXI, which prohibits consideration of a bill pursuant to a special order of business reported by the Committee on Rules that has not been reported by a committee. This waiver is technical in nature. Clause 12 of rule XXI has an exception for bills that contain an emergency designation under the Balanced Budget and Emergency Deficit Control Act. These designations were effectively overridden by the new emergency authority in S. Con. Res. 14, which H.R. 7007 invokes in its emergency spending designation.

Although the resolution waives all points of order against provisions in H.R. 7007, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
