EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 8294 includes a waiver of section 306 of the Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee.

The waiver of points of order against provisions in H.R. 8294, as amended, for failure to comply with clause 2 or clause 5(a) of rule XXI includes a waiver of Clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill.

The waiver of all points of order against the amendments printed in part A of this report or against amendments en bloc described in section 3 includes a waiver of Clause 2(c) of rule XXI, which requires that limitation amendments be offered at the end of the bill. The waiver is necessary because the limitation amendments printed in this report will be offered at the end of each division. It should be noted that sponsors of such amendments complied with Rules Committee guidance when drafting amendments to the end of divisions rather than the end of the bill.

The waiver of all points of order against consideration of H.R. 8373 includes a waiver of clause 12 of rule XXI, which prohibits consideration of a bill pursuant to a special order of business reported by the Committee on Rules that has not been reported by a committee.

Although the resolution waives all points of order against provisions in H.R. 8373, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 8404 includes waivers of the following:

- Clause 11 of rule XXI, which prohibits consideration of a bill or joint resolution which has not been reported by a committee until such measure has been available to Members, Delegates, and the Resident Commissioner for 72 hours.

- Clause 12 of rule XXI, which prohibits consideration of a bill pursuant to a special order of business reported by the Committee on Rules that has not been reported by a committee.

Although the resolution waives all points of order against provisions in H.R. 8404, the Committee is not aware of any points of order. The waiver
is prophylactic in nature.
