

Amendment offered by Congressman Randy Feenstra

Brief Summary

This amendment ensures that infrastructure eligible for funding allows for the year round availability of higher ethanol blends, including E15 and E85, and biodiesel blends up to B100.

**AMENDMENT TO THE COMMITTEE PRINT
OFFERED BY MR. FEENSTRA OF IOWA**

Page 31, strike lines 7 through 15 and insert the following:

1 (1) to install, retrofit, or otherwise upgrade fuel
2 dispensers or pumps and related equipment, storage
3 tank system components, and other infrastructure
4 required at a location to ensure the environmentally
5 safe and year round availability of ethanol blends
6 higher than 10 percent (including E15 and E85)
7 and biodiesel blends higher than 20 percent and up
8 to B100; and
