LaMalfa Restoration Amendment Summary

This amendment directs an additional \$500 million to restoration work for post-fire areas including for immediate stabilization of topsoil and ash to prevent erosion and run-off, salvage logging, and re-planting activities.

**AMENDMENT TO THE COMMITTEE PRINT
OFFERED BY MR. LAMALFA OF CALIFORNIA**

Page 7, strike lines 1 through 12 and insert the following:

- 1 (15) \$500,000,000 to carry out post-fire recovery
2 plans that—
- 3 (A) emphasize the immediate stabilization
4 of soils and ash to prevent erosion and run-off
5 damaging watersheds;
- 6 (B) use salvage logging as necessary to
7 protect recreation user safety and to remove
8 hazardous fuels; and
- 9 (C) re-plant trees and vegetation for long
10 term recovery.
