

DR. MARIN BOZIC

Assistant Professor, Department of Applied Economics, University of Minnesota

Dr. Marin Bozic is an Assistant Professor in the Department of Applied Economics at the University of Minnesota. His research program covers dairy markets and policy and livestock risk management.

Bozic is also the founder and CEO of Bozic LLC, a global provider of technology solutions for commodity markets analytics and risk management with close to 100 clients on four continents. Bozic LLC owns intellectual property rights to all three major livestock insurance programs in the United States - Dairy Revenue Protection, Livestock Risk Protection and Livestock Gross Margin. In crop year 2021, DRP, LRP and LGM were used to protect over \$13 billion in dairy and livestock revenue.

Bozic is an advisor to several dairy trade associations, a nationally popular speaker on economics of dairy markets, and a frequent consultant on important dairy market and policy issues.
