

**AMENDMENT TO INTERIOR AND ENVIRONMENT
APPROPRIATIONS BILL
OFFERED BY MS. KAPTUR OF OHIO**

In the appropriate place in the Committee Report,
insert the following:

“The Committee notes the backlog of applications under the Renewable Fuels Pathway II rule finalized in 2014. No applications for the electric pathway—which could help support rural agricultural communities—have been approved since the rule went into effect. The Committee strongly encourages the Agency to take action on the existing applications within 90 days of the enactment of this Act.”.
