

**AMENDMENT TO AGRICULTURE AND RURAL  
DEVELOPMENT APPROPRIATIONS BILL  
OFFERED BY MRS. HINSON OF IOWA**

In the report:

On page 6, after the paragraph titled “*Spending Plans*”, insert the following:

*Livestock Gene Editing Cooperation*—As the Secretary of Agriculture develops regulations pertaining to the movement of animals modified or developed by genetic engineering, the Secretary shall consult with the Commissioner of the Food and Drug Administration to ensure any resulting regulations are coordinated.
