**Member Day Hearing – Opening Statement
Interior & Environment Appropriations Subcommittee
Wednesday, April 18, 2018
9:00 AM**

Good morning and welcome to the Interior and Environment fiscal year 2019 “Member Day” hearing. This morning, the subcommittee will hear from Members – actually one Member – about a variety of issues addressed by this subcommittee.

Our witness will be provided with up to five minutes to present his testimony.

Given the busy hearing schedule this week, several members were unable to testify in person today. It is my understanding that they will be submitting written testimony for the subcommittee to review.

Before we get underway, I’m happy to yield to my friend, Ms. McCollum, for any remarks she may wish to make.
