

MICHAEL GAJEWSKI: CFO and Managing Director

Michael is the CFO of Closed Loop Partners and on the management teams of Closed Loop Leadership Fund and Closed Loop Infrastructure Fund.

Prior to joining to Closed Loop Partners, Michael served 16 years as Chief Financial Officer of Canusa Corporation. Canusa is a diversified paper, packaging and commodities company that expanded organically and through affiliates into an international trading company and processor of recyclables. In aggregate, the units within Canusa's broader sphere (Canusa Hershman Recycling, Newport CH International, etc.) now comprise one of the country's largest exporters – consistently ranked in the top 10 largest shippers by number of containers. Today, the combined sales of the entities in which Canusa holds a significant interest approximates \$600 million annually.

Michael is a Certified Public Accountant and worked in public accounting and other manufacturing and services related businesses prior to his time at Canusa Corporation.
