

**Mandy C. Warner Bio**  
**Environmental Defense Fund**

Mandy is Senior Manager for Climate and Air Policy at Environmental Defense Fund (EDF), an international environmental organization guided by science and economics, with more than 2.5 million members and a staff of 700 scientists, economists, policy experts, and other professionals around the world. Mandy has worked for EDF on a range of environmental policy issues at the federal and state level since 2009. She has worked on numerous Clean Air Act related rulemakings addressing emissions from the power, industrial, and transportations sectors for EDF. Prior to her employment at EDF, Mandy worked on electricity policy as a consultant to the Department of Energy. Mandy completed her Master of Public Affairs at Indiana University's School of Public and Environmental Affairs.
