Amendment to H.R. 2810
National Defense Authorization Act for Fiscal Year 2018

Offered by: Madeleine Z. Bordallo, Guam

In the appropriate place in the report to accompany H.R. 2810, insert the following new Directive Report Language:

Local Purchasing Contracts for the Defense Commissary Agency
The committee is aware that significant savings in Second Destination Travel costs may be realized by the Defense Commissary Agency (DeCA) by pursuing contracts with local distributors and vendors in the Pacific region. The Department of Defense Inspector General has recently verified that DeCA can maintain quality, selection and cost savings by exercising local purchase with Fresh Fruits and Vegetable. The committee believes that DeCA should explore every opportunity available to reduce second destination transportation cost and that utilizing existing contracts could provide commissary customers with greater variety while providing significant transportation savings to the Department of Defense. Additionally, an expansion of local products and distributor contracts will strengthen local economic partnerships with DeCA. Therefore, the committee directs the Secretary of Defense to provide a briefing to the committee not later than January 1, 2018, on the following:

(1) The current percentage of goods that are provided by local vendors, to include commodity category and dollar value of sales, and an analysis of historical data for the past five years.

(2) The cost of Second Destination Transportation to provide commissary goods to the Commissaries on Guam.

(3) The feasibility of whether using local distributors for items other than Fresh Fruits and Vegetables will reduce the cost of Second Destination Transportation while maintaining savings to beneficiaries.

(4) Initiatives undertaken or explored that seek to encourage and promote local vendor and distributor access to commissaries on Guam.
AMENDMENT TO H.R. 2810
OFFERED BY MR. LARSEN OF WASHINGTON

At the appropriate place in title V, add the following new section:

SEC. 5. GARNISHMENT TO SATISFY JUDGMENT RENDERED FOR PHYSICALLY, SEXUALLY, OR EMOTIONALLY ABUSING A CHILD.

(a) GARNISHMENT AUTHORITY.—Section 1408 of title 10, United States Code, is amended by adding at the end the following new subsection:

"(1) GARNISHMENT TO SATISFY A JUDGMENT RENDERED FOR PHYSICALLY, SEXUALLY, OR EMOTIONALLY ABUSING A CHILD.—(1) Subject to paragraph (2), any payment of retired pay that would otherwise be made to a member shall be paid (in whole or in part) by the Secretary concerned to another person if and to the extent expressly provided for in the terms of a child abuse garnishment order.

"(2) A court order providing for the payment of child support or alimony or, with respect to a division of property, specifically providing for the payment of an amount of the disposable retired pay from a member to the spouse or a former spouse of the member, shall be given priority
over a child abuse garnishment order. However, the limitations on the amount of disposable retired pay available for payments set forth in paragraphs (1) and (4)(B) of subsection (e) do not apply to a child abuse garnishment order.

"(3) In this section, the term ‘court order’ includes a child abuse garnishment order.

"(4) In this subsection, the term ‘child abuse garnishment order’ means a final decree issued by a court that—

"(A) is issued in accordance with the laws of the jurisdiction of that court; and

"(B) provides in the nature of garnishment for the enforcement of a judgment rendered against the member for physically, sexually, or emotionally abusing a child.

"(5) For purposes of this subsection, a judgment rendered for physically, sexually, or emotionally abusing a child is any legal claim perfected through a final enforceable judgment, which claim is based in whole or in part upon the physical, sexual, or emotional abuse of an individual under 18 years of age, whether or not that abuse is accompanied by other actionable wrongdoing, such as sexual exploitation or gross negligence.

"(6) If the Secretary concerned is served with more than one court order with respect to the retired pay of
a member, the disposable retired pay of the member shall be available to satisfy such court orders on a first-come, first-served basis, with any such process being satisfied out of such moneys as remain after the satisfaction of all such processes which have been previously served.

"(7) The Secretary concerned shall not be required to vary normal pay and disbursement cycles for retired pay in order to comply with a child abuse garnishment order."

(b) APPLICATION OF AMENDMENT.—Subsection (l) of section 1408 of title 10, United States Code, as added by subsection (a), shall apply with respect to a court order received by the Secretary concerned on or after the date of the enactment of this Act, regardless of the date of the court order.

Amendment to the Committee Report to Accompany HR 2810

At the appropriate place in the committee report, add the following:

Request for Briefing on the Provision of Services at Department of Defense-run Child Development Centers (CDCs)

Offered by Ms. Tsongas (D-MA)

The committee is concerned about staffing shortages at childcare centers on military installations. These facilities provide important services to the families of our men and women in uniform and allow the military to tap the potential of important demographics of society that otherwise might not be able to contribute to our national defense. On-base childcare is also an important workplace benefit that servicemembers and their families depend on as part of their total military compensation. The committee is further concerned that the civilian hiring freeze issued by the Administration in January 2017 has furthered these shortages. Therefore the committee directs the Secretary of Defense to brief the House Armed Services Committee by December 1, 2017 on:

- Current staffing deficiencies at service-run child development centers (CDCs), to include part-time and preschool programs;
- Whether the hiring freeze created any collateral effects on the services' ability to fill child-care positions (e.g. reduced administrative staff at personnel offices, etc.);
- How long the hiring process takes for filling individual child-care positions including information on what kinds of background checks are involved;
- An assessment of whether streamlined hiring authorities help fill vacancies faster;
- A discussion of the kinds of incentives that would help recruit child-care workers in areas where filling these positions is a challenge. How child care fee assistance programs could be improved to fill any gaps in availability; and
- How the Department intends to ensure that non-installation Child Development Centers address the unique developmental needs of servicemember families should military families have to seek outside care.
